Basketball Teams Play Many Games During Past Week

Pleasant Hill Takes Lions by 37-22 Count

(H. S. Journalist Student)

Cottage Grove's Lions roared out on the local court Tuesday evening with intentions of making short work of the Pleasant Hill quintet, but sometime later they scurried for the dressing room like a flock of fleeced lambs. The Pleasant Hill boys, sparked by Barnum, had pleasantly trampled the Lions into submission.

The Grovers took an early lead but were soon overtaken. At half-time Pleasant Hill led 20-6.

The Grove boys then began to settle down and at the third quarter the score stood 31-14. In the last quarter the Lions held the visitors to six points while they rang up eight, but were unable to overcome the lead. The game ended with Pleasant Hill 37, Cottage Grove 22.

Barnum of the Pleasant Hill team was the outstanding man of the game, hanging up 18 markers. Jennings and Grimes both drew six points apiece for the Lions. Personal fouls were evenly divided, both teams gathering six.

In the opener the "Baby Lions" took the Pleasant Hill B string to a 38-8 defeat. Once started the Grovers were never headed and completely routed the visitors.

The Lions basketball team of the high school dropped the inexperienced Junction City Tigers 33-21 in a Division "A" league tilt there Monday, January 24.

This was the first basketball game ever played between the two schools. The Tigers, most of whom never played before, fought hard all the way and never gave up.

The game was rough, with 21 fouls being called on the Lions and 17 on the Tigers. Both teams missed a high percentage of the gift throws.

Cooper, Grove center, with his smashing one-handed shots, was leading scorer with 11, closely followed by Jennings of the Lions, who rang up 8 from his new position as forward.

The Lions jumped into an early lead and were never headed. They led 10-4 at the first quarter, 15-8 at half and 26-16 at the end of the third quarter.

The Lion "B" also won, handing the Junction City Cubs a 37-6 shellaching, limiting them to one field goal. Guggisberg of the winners led with 10 points.

The Cottage Grove quintet in an overtime period, won over the Springfield team 42-37 in the local gym Friday night.

It was a ding dong battle from the first and was one of the hardest fought and most exciting games of the season. There were 27 fouls called. Both teams were battling hard for undisputed fourth place in the league standings.

The Millers took an 11-8 lead at the end of the first quarter and boosted their advantage to 19-13 at the half. Led by Cooper, the Grovers rallied to move ahead 28-27 at the finish of the third quarter. From then on it was anybody's game. With only one-half minute to play, Cooper swished the basket to tie the score at 34 all.

In the five minutes overtime period Grimes scored three successive field goals for the Lions and Cooper bagged a basket to make a total of 42 points. Taylor collected 3 points to give the Millers 37.

In an opener the Lion B team won over the Miller B team 30-18. It was a hard fought contest with both teams playing an excellent game.

Girls Defeat Lorane Team 75 to 50 Score

The spectators who saw the speedy Cottage Grove girls basketball sextet take the measure of a determined Lorane team on the Grove floor last Thursday evening by a 75-50 score, were of the opinion that the highly touted University of Oregon Webfoots might learn something new in the way of basket shooting by watching the sharpshooters on both of these quints.

Gladys Minney Minor was high scorer of the evening with 36 points. Lita Mosby for the Grove and E. Mitchell for Lorane, tied with 26 points each for second honors. Thelma Minney added the 13 remaining points for the Grove, and Addison with 23, and Garoutte with 1, were responsible for other Lorane counters.

Fans who recall girls basketball as the slow and uninteresting game of years ago, have a real treat in store for them when they see either the Lorane or Cottage Grove teams in action. Each team has scored a victory over the other on their home floor this season. Even hardened fans were brought to their feet in the game Thursday when shot after shot from the "coffin corner" and from other "impossible" angles were made with apparent ease.

Line-ups were as follows: Lorane—E. Mitchell, Addison, Garoutte, forwards; Mitchell, Dunn, Swanson, guards. Cottage Grove—Minor, Mosby, Minney, forwards; Pleuard, Spies, Kent, guards.

Townies-Lowell Game Ruled Tie

The Cottage Grove Townies, who have won four league starts this season, lost 2 and tied one, will seek a fifth win this (Thursday) evening, on the local court, when they will tangle with the Coburg quint. The Grovers should win, on the basis of the showing of the two teams to date, but expect a good battle.

H. J. Nagel, Santa Clara, league president, has ruled the disputed Lowell game a 47-47 tie, and ordered it replayed. Nagel based his ruling, no doubt, on a signed statement issued by Eugene Dove, referee. Minney's basket in the final moments of play was not scored by Lowell, but ruled legal by Dove. French's basket, also made in the final moments did not count, according to Dove's ruling.

In addition to the disputed Lowell game, the Grove quint has two league games yet to play, one on the Grove floor with the undefeated Wendling quint February 10, and another at Creswell February 14.

In their last league game the Grovers defeated Springfield in a free scoring affray 55 to 45.

Jeff Ansley High in 25-Bird Shoot Here

Jeff Ansley, with 29 out of 30, was high man in the 25 bird event on the local trapshoot grounds Sunday. Jeff tied at 24 out of 25 with N. J. Nelson Jr. and Kelly Cooper, and went on to eliminate the others in the shoot-off. Ray Glass and Victor Chambers, in the same event, broke 23 out of 25. Glass had elected to shoot at a broken bird.

The shoot drew a good crowd and the majority of scores turned in were good, showing a decided improvement among the local shooters during the past year. Two Lorane men, Moore and Mitchell, will prove a decided asset to the local squad, should they decide to enter the Oregonian telegraphic shoot again this year. Eddie Heck and George White were going strong in the five-bird events.

Clever With Knitting Needles

Ohio housewives of the yesteryears were so adept at knitting that many of them could knit, read and rock the cradle at the same time.

Hebron

The Jolly Workers club met Wednesday afternoon in the Farmers' Union hall and held their annual election of officers.

Mr. and Mrs. Neno Perini of Yoncalla spent Sunday at their Hebron farm.

Mrs. Fred Lossee is recovering from a fracture of the collarbone.

Mrs. F. C. Fuhrer celebrated her birthday Sunday at a dinner party in her home at which a number of friends were present.

Mr. and Mrs. Philip Hersey visited on Mosby Creek Sunday evening with the F. V. Overton family.

Mr. and Mrs. Philip Hersey had as dinner guests recently Mrs. George Gilcrist and son Richard of Klamath Falls and daughter Miss Winifred Gilcrist of Mt. View.

Mrs. Lizzie Garman has gone to the coast where she will live with a daughter, Mrs. Maude Labsch.

Mrs. John Murry and children and Mr. and Mrs. Earl Murry visited Friday in Marshfield with the Walter Jepson family. Mrs. Jepson was Miss Della Murry.

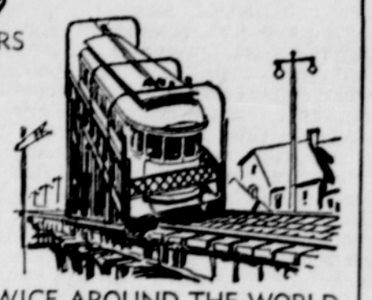
"UNREAL REALITIES"

"ADD-A-ROOM" HOUSE

A wealthy woman believed she'd live as long as she kept adding to her house in *San Jose, California*. So she kept carpenters busy for 38 years constructing the weirdest house in America, an intricate maze of 144 rooms, miles of corridors, gold and silver fixtures, stairways leading nowhere, trapdoors, and blank walls! But she died!

STREETCARS ON ELEVATORS

So steep are the streets in *Cincinnati, Ohio*, that even the street cars ride up and down the hills on elevators. The city is built on three distinct levels and to facilitate transportation between the different levels an incline railway has been built to lift cars bodily from one to the other.



TWICE AROUND THE WORLD

Greyhound Bus Lines serve 50,000 miles of highway routes (more than twice the distance around the earth), travel 138 million miles a year. Greyhound offers more service to more places than any other form of public transportation.

ICE FROM A DESERT

From one of the hottest spots in America comes the coldest known kind of commercial ice. "Dry Ice"—so cold that touching it with your hand gives you a first-degree burn—is made from hot gas from wells in the desert near *Salton Sea, California*, where temperatures skyrocket to dizzy heights.

WILDLIFE MEET SLATED FOR FEBRUARY 10

The Lane County Unit of the Wildlife Federation will meet in Eugene at the Del Rey cafe next Thursday evening, February 10, to fill the vacancies caused by the resignation of President P. A. Thompson and vice-president G. G. Carle, both having been called from the county on business matters.

First President of W. C. T. U.

Frances Elizabeth Willard was born in Churchville, N. Y., in 1839. After some years as a teacher, she became secretary of the Women's Christian Temperance Union in 1874, and its president in 1879. She was made first president of the World's Women's Christian Temperance Union in 1891. She originated a petition against the importation and manufacture of alcohol and opium, which was signed by 7,000,000 persons. She was an editor of the Chicago Post and the Union Signal and wrote "Glimpses of Fifty Years," and numerous articles in the temperance cause. She died in 1893.

Early Almanac

Oswald's "Printing in the Americas" says: "The first product of the press in America other than a broadside was Captain William Pierce's Almanac, printed by Matthew Day in 1638, for the following year, no copy of which has been preserved."

The Final Dun

Old-time duns are curiosities. Here is a copy of a dunning notice 150 years ago: "Take Notice: Debtors—This is the last time of asking in this way; all those who settle their accounts by the 18th of June instant, will have the thanks of their humble servant; and those that neglect, will find their accounts in the hands of some person who will collect them in a more fashionable way, but more expensive."
