About 600 Students Put On Delightful Musical Festival

Youthful musicians, several hundred strong, took possession of the local armory last Friday evening and put on a music festival, par excellence, under the direction of James Lewis, music supervisor in the city schools, and the grade teachers.

The large hall was filled to overflowing with participants and audience. It is estimated that at least 1200 witnessed the fine program and many were turned away, unable to find even standing room.

School districts near Cottage Grove sent in about 100 students to participate. These students had been taught in the same songs as the local students, and became a part of either primary, intermediate, or Junior High School choruses. The London district brought 40 pupils, Dorena 35 pupils, Walden 25 pupils, and Disston 5 pupils.

Opening numbers and one at the close were played by a 45-piece combined orchestra of both grades and high school students who played very well.

Along the Fairways

Congratulations are again in order this week. Earl Hill, who always plays a good game, really "went to town" last Sunday when our local club journeyed to Eugene. In competitive play at the Oakway Golf course, Hill made a hole in one. This was on the 135 yard sixth. Nice going, Earl!

The Ladies Golf club is sponsoring a dance Saturday, May 14th, at the Cottage Grove armory.

Bill Zimmerly defeated L. B. Sigwart 3-2 at the Eugene County club last week when they entered the semi-final round in the senior golf championship.

If you hear some one being challenged, don't expect to see a duel! It is only the ladies playing the Ladder tournament and challenging the one above them to a match to defend her position on the ladder. If the one challenged wins, she retains her position. If she loses, the challenger takes her place.

The men are ahead in the membership contest, and may come out winners unless the women can add a few more names to their list.

Sixteen ladies played on ladies' day despite the rain. Most of them played five holes and spent the remainder of the afternoon in the club house. Those that were playing their ladder matches continued the entire course, after which refreshments were served. Mrs. Dunlop and Mrs. Barton were on this week's committee.
