Heavy Water Is Stimulant
Tests on animals show that when heavy water is administered it produces an effect similar to that of adrenalin, a hormone, which throws the body into its greatest state of activity.

Paid For With Prayers
Swiss farmers annually give to thousands of poor peasants as much cheese and butter as they can carry home after the grazing season on the mountains, and ask in return only a prayer for the cattle and pasture.

More Names Than Kings
Travelers have more names than kings. Travelers are tourists, voyagers, wanderers, excursionists, pilgrims, globe trotters, gypsies, rovers, explorers, adventurers, seafarers, wayfarers, passengers, not to mention tramps, vagabonds, hoboes and straphangers.
