

CHURCHES

Catholic Church, Father Anthony Gerace. — Mass each Sunday at 9:30 a. m. except the fourth Sunday when the hour is 8 a. m.

Methodist Episcopal Church, E. M. Tilton, Pastor. — Sunday school 9:45, church school Easter program; forenoon service, 11, sermon subject, "The Deeper Resurrection." Baptismal service and reception of members. Evening service, 8, dramatic presentation of "The Redeemer Liveth," by the Epworth League, assisted by members of the senior choir. Communion meditation Friday evening, 7:30 to 8:30.

Christian Church, E. L. Kechly, minister. — 9:45 bible school, 11:00 victory service, Opening chorus, "Christ Is Risen." Morning Anthem, "Easter's Melody." Sermon, "The Power of the Resurrection." 6:30 p. m., Christian Endeavor. 7:30, Easter cantata, "Our Living Lord." 7:30 p. m., Wednesday, prayer service. 7:45 p. m. Thursday, young people's Bible study. 7:45 Friday, choir rehearsal.

Christian Science Society, 242 Second St. — Sunday school, 9:45; forenoon service, 11, subject, "Are Sin, Disease and Death Real?" Evening service second Wednesday of each month at 8 p. m. The Bible, Christian Science literature and the writings of Mary Baker Eddy may be borrowed or purchased before and after the Wednesday service.

Free Methodist Church. — The Easter program will be given by the Sunday school at 10 a. m. Sunday with Mrs. Harriett Skuzie in charge. The Rev. J. R. Stewart, district elder, will conduct the pre-Easter services Friday and Saturday nights and Sunday morning he will bring the Easter message. Closing Sunday evening with an evangelistic service. The third district meeting for the Salem district will convene at Springfield April 13-16, at which time ground will be broken for a new church in Springfield. All the pastors and the laymen are requested to don their carpenter overalls and bring their tools prepared to work. — Louis A. Skuzie, pastor.

First Baptist Church, Henry W. Davis, Pastor. — Bible school, 10 a. m., under direction of Mrs. K. K. Mills. 11 a. m., public worship with special Easter music. Mrs. Benton Schrenk, choir director. Sermon theme, "The Glad Note of Easter." 6:30, young people's meeting. 7:30, gospel service and the administration of the ordinance of baptism.

Church of the Nazarene, C. E. Thayer, pastor. — There will be an Easter program during the Sunday school hour. Morning worship, 11, theme, "The Risen Lord." Young people's meeting at 7 p. m. Evening service, 7:30. Special music at both morning and evening services. Prayer meeting, Wednesday, 7:30.

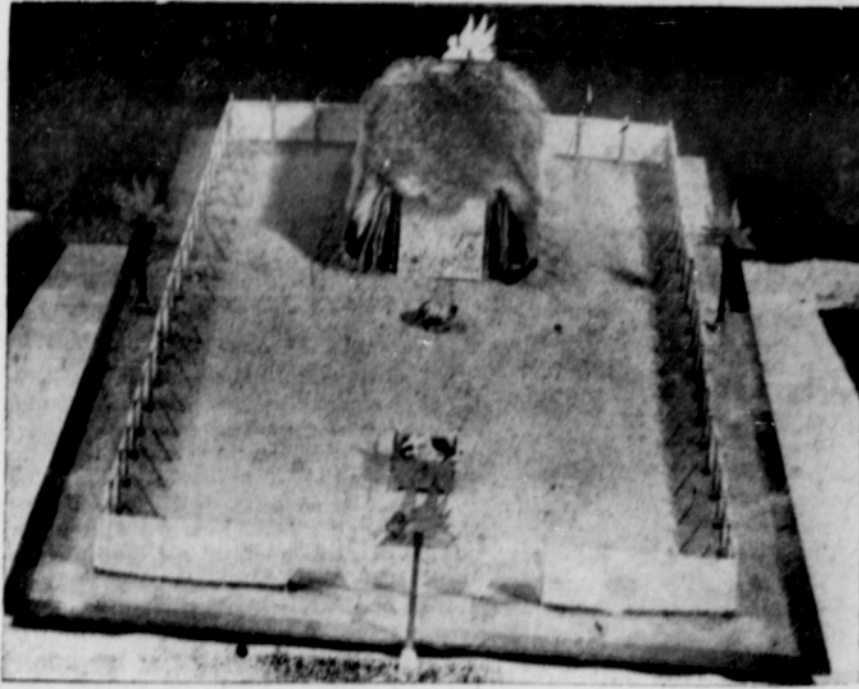

Presbyterian Church — Good Friday, 7:30 p. m., the Sacrament of the Lord's Supper will be administered. This is to be a candle lighting service. Sunday at 5:30 a. m. the young people will meet at the church to go out some place for a sunrise service, then return to the church for breakfast. 9:45 a. m., Bible school. Earl Ballew, Supt.; 11 a. m., concert by the choir. See program elsewhere. The pastor will bring a short Easter message. 6:30 p. m., the two Christian Endeavor societies will present a program—a pageant and music. The adults are invited to this program. No other evening service.

Lutheran Church (Missouri Synod), S.D.A. building, west Main street, W. A. Sylvester, Roseburg, pastor. Easter services Sunday, 11 a. m. Sermon topic, "The Two Opposite Effects of Christ's Glorious Resurrection." Sunday school, 9:45 a. m. Public is invited to attend our services. Lutheran hour over KORE Sunday at 1:30 p. m.

Motor vehicle registration for the first two months of this year indicates that there will be more passenger cars, light deliveries, trucks and motorcycles registered in Oregon this year than last, according to Secretary of State Earl Snell. Buses are the only general classification of vehicles to show a slight decline in registration.

Pastor Builds Model Tabernacle

The Tabernacle of Witness, the model of which was constructed by Atwood Foster, according to Exodus 25-40.

Miniature Plymouth Factory Display Is Shown Here Friday

The traveling miniature display of the Plymouth factory, sponsored by the McCoy Garage and shown here Friday, attracted unusual interest and hundreds saw the miniature factory at work making cars. Owing to a conflict the display was not shown at the school as originally planned, but was parked in front of the McCoy Garage on Seventh street for several hours Friday afternoon.

LOCAL F.F.A. ENTERTAIN THE DALLES CHAPTER

Enroute to the San Francisco world's fair, 33 members of The Dalles F.F.A. and their advisor, Charles Reiter, stopped Friday night to enjoy a stag party put on for them by the Cottage Grove chapter. Two basketball games were played. The Dalles boys winning one and Cottage Grove taking the other. Boxing was also enjoyed during the evening. Following the evening of sports, ice cream and cake was served by the Cottage Grove chapter.

About 75 were present. The Dalles boys slept in the gym for the night and left early the next morning. They planned on driving to Reedsport and then down the coast, hoping to reach Eureka by Saturday night.

The Dalles F.F.A. have chartered a school bus and plan on taking 12 days for the trip. The boys have their blankets along and have arranged for sleeping quarters at various points enroute. They expect to live at a boys' camp on the outskirts of the city while attending the fair. By careful planning and organizing, expenses per boy have been held to a low figure.

In Circuit Court

Friday a Lane county jury gave a verdict for the defendant in the case of George B. Getty against Montgomery Ward and Co.

Judge G. F. Skipworth also passed sentence on two persons in circuit court Friday. Bernard Criswell of Mabel was sentenced to serve two years in the state pen on charge of raping a seven year old girl. He was arrested last Thursday and waived grand jury investigation and had previously been arraigned before Judge Skipworth. R. M. Ferry was sentenced to two years in the pen on charge of obtaining money under false pretence. He is alleged to have passed several bad checks.

In the days of Moses, Israel's God commanded the nation to build a Tabernacle in the midst of their camp wherein He would dwell. When it was completed God filled it with His glory, and for long after, God's manifest presence there was a testimony to all the nations round about that Israel's "Jehovah God" truly was "The God of all the earth."

Every single detail in the construction of this Tabernacle was given to Moses by the Lord during his 40 days on the Mount Sinai; for this Tabernacle was typically significant. It bespoke the Gospel of Jesus Christ centuries before the latter's advent. Every detail of it typifies some aspect of the Gospel which has been committed to us to declare to all men.

Several years ago, Atwood Foster, pastor of the local Assembly of God, set about to construct a small model of this very interesting structure, being careful to make every detail proportionately exact according to the instructions given in Exodus. This project was completed after much work and has since been used in various cities in conjunction with a series of fascinating Gospel messages. It has been well said, "This Tabernacle is a Small Model of Heavenly Realities." Pastor Atwood Foster has again taken up this subject, and will speak from it each Sunday morning and evening at the local church for a series of Sundays.

Delight Valley

The Social Neighbors club met March 29, with Mrs. S. K. Adams at Saginaw. The next meeting of April 12 will be with Mrs. Ada Teal. Roll call response is to be a proverb.

Dean Jackson spent March 30 in Corvallis on an excursion tour of the campus.

Mr. and Mrs. Oscar Jackson were visitors in Eugene Friday.

Mr. and Mrs. Lee Nixon spent Friday in Eugene.

Mr. and Mrs. Robert Rausch and son Norman were callers at the Oscar Jackson home Sunday.

Mr. and Mrs. Charlie Brown are spending Monday and Tuesday in Portland.

Mr. and Mrs. Lee Nixon and Mr. and Mrs. Oscar Jackson were dinner guests at the E. J. Sears home Sunday.

Mrs. P. F. Snow is recovering from an operation performed in Eugene this past week.

Several Delight Valley residents surprised Hugh Nixon of Cottage Grove on his birthday, March 31.

Bicyclists who ride without lights at night, and who ride swiftly into the street from a sidewalk, alley or sidewalk, are among the chief contributors to collisions between bicycles and automobiles. Secretary of State Earl Snell declares. Bicyclists who make sudden turns without signaling, who cling to moving vehicles or who ride two abreast on the highway also become involved in many mishaps.

Oregon Quicksilver Used as Fungicide

The mining industry, through its production of quicksilver, or mercury, is assisting the lumber industry to produce bright air-dried lumber. Lumber which a few months after cutting becomes sap-stained or which develops the well-known "blue stain," is difficult to sell. This stain, it has been determined recently, is caused by a fungus growth that flourishes on the sap fluid. In recent years the Gracelli Chemicals Department of E. I. du Pont de Nemours & Company has developed a fungicide which in its new form is called "lignasan." This contains ethyl mercury phosphate, which has a toxic effect on the sap fungi. It is expected that enlarged use of this quicksilver bearing compound in the lumber industry to combat the fungus may be helpful in increasing the demand for quicksilver in this state.

Lignasan is dissolved in water in the ratio of one pound to 50 gallons of water for small lumber, and 1½ to 1½ pounds to 50 gallons of water for heavy timbers. Sprayed on the lumber, the coating of chemicals protects the wood and prevents the entrance of sap-stain-producing fungi through the surface of the wood during the early part of the air-seasoning period. It is understood that lumber manufacturers using mechanical dipping apparatus can treat a thousand feet of lumber for about 10 or 15 cents.

Additional information about this interesting chemical may be obtained from Dr. E. E. Hubert, of the Western Pine Association, and Mr. V. R. Diamond, the du Pont representative, both of Portland.—Ore Bin.

Lynx Hollow

The young people's card club met at the W. M. Moore home Tuesday evening with Mrs. Della Moore as hostess. All members were present.

The Monday Night club is holding play practice two nights each week as they plan to present their play soon.

The Stitch in Time 4-H sewing club held a special meeting Thursday evening to which each member invited a friend. The group went on an orchid hunt, finding many of the charming blooms, after which a weiner roast was enjoyed and marshmallows were toasted. Everything was reported as being "wonderful" but the threatened cases of poison oak that appeared next day.

The Lynx Hollow softball team were defeated by Saginaw on the Saginaw field Friday afternoon, 27 to 30. Dale Skidgel sustained a sprained ankle during the game. He was taken to Cottage Grove for medical attention. Those providing transportation to Saginaw were Mrs. Fred Kensland, Mrs. Lawrence Porter, S. S. Ayotte.

Mrs. Lawrence Fisher took the 8th grade girls to Eugene Saturday for marketing day. They were met in Eugene by Miss Settle who accompanied them on the tour. Those attending were Madeline Perini, Dorothy Treadwell, Wilma Moore and Marian Fisher. Dale Skidgel was unable to make the trip due to a sprained ankle.

A special speed test to show that foolhardy driving in traffic actually saves very little time has been planned by the Josephine county safety council to impress the value of careful driving upon beginners in the safe-driving class scheduled in Grants Pass.

THE EASTER EGG IS NOT OF CHRISTIAN ORIGIN
In both India and Egypt rabbits and eggs, as the symbols of fertility and reproduction, were closely identified with the spring festival which corresponds to our Easter. Easter was the festival to welcome the return of spring, the season of new birth. 1.—"Nuggets of Knowledge"—Geo. W. Stimpson.

FOUR-H CLUB HOLDS MEET

The Four-H club met Friday night at the London school house. A large number were in attendance. It was announced that a framed flag code had been presented to the London school by Richard Currin, president of the cooking club, and that similar framed codes had been given to the Latham and Hebron schools by Helen Summers, president of the sewing club. The Four-H group voted to sponsor and maintain a county library at the club house at Hebron. The library will be made available to the community as well as for club use.

"Well," remarked a married man, after examining his friend's new apartment, "I wish I could afford a place like this."
"Yes," said his friend, "you married men may have the better halves, but we bachelors usually have the better quarters."
