

Preparation For Change In Season

PROOF OF LABOR FILING REQUIRED

A new law passed by the last session of the Oregon legislature requires that owners of unpatented claims shall file proof of performance of the annual assessment work on their claims. The affidavit to be filed must recite

the character of the work done and specify the amount and cost of same. This filing must be made within 30 days of completion of same. Filing of this affidavit is considered as prima facie evidence of performance of the work, and to not file the affidavit is prima facie evidence of failure to do the work. The filing fee for

the affidavit, which is to be filed or claims are located, is 25 cents. in the county in which the claim —Oregon Mining Review.

SUMMERIZE YOUR KITCHEN Change Over to the Modern Fuel—GAS

Many thousands of homes are now using gas for cooking, for heating and for refrigeration.

The modern gas ranges such as we have on display will give you every convenience in the preparation of meals.

The new Electrolux refrigerator is economical to operate, will give fast freezing if desired and has no moving parts to get out of order.

Yes, it's time to change to gas, the modern fuel.

"Most cars that come into my service station this time of year are suffering from the effects of hard winter driving. More than likely your car is in that class; and you've got a lot of summer driving ahead.

"Don't you agree with me that it's only good common sense for you to see that your car is in first class shape so that your motoring this summer will be a pleasure and not a series of troubles with a chance of serious mishap...just because of a little neglect.

"That is why I'm urging you...and all my customers—to take advantage now of this Free 12-Point Summer-ize service that Mobilgas dealers are offering. It is Free except, of course, for any needed materials you may order."
