O.K. Supply Company To Sponsor A City Beautiful Campaign

House painting and spring clean-up time is with us once more. To promote interest in a city beautiful program the O.K. Supply Co., local paint dealer, is offering to refund the full purchase price to the person who does the most effective paint job on his home or place of business between now and June 30.

A committee of two ladies and two men will judge the contest," O. A. Olson, proprietor, said yesterday. "The prize will be awarded to the contestant who, in the opinion of the judges, has made the most effective use of the paint purchased in improving the exterior appearance of the house or buildings upon which the paint has been used. The size of the job or the amount of paint used will have no bearing on the judges' decision, nor will the question of whether the paint is applied by amateurs or professionals."
