The May Festival this year in the estimation of many was the best ever. It was a gala affair with pretty flowers, gay dances, colorful pageants and a beautiful queen.

The coronation of the queen was a beautiful ceremony as the procession marched through the floral arch to the throne, where the crown was placed on that pretty blonde head of Jean Savage by Mayor Morelock. It is estimated that 1200 spectators were there. This is the largest crowd ever to witness the May Festival. Approximately 600 students took part in the activities of the day. The pageants presented by the grade school were products of much work and were very interesting, original, artistic and colorful. Ferdinand, who had the lead in "Ferdinand the Bull," stole the heart of many a person. Another very interesting and exciting feature of the day was the senior play, "The House of Fear." The gym was "packed to the gunnels" and the entire crowd seemed to be "shaking in their boots" from the effects of this mystery play. As Gerald (Ray Randall) would have put it, "It gave them something."

As to the financial gains of the day both the girls' league and the senior class came out on top. About \$104 was taken in on queen votes alone. This is the greatest amount ever taken in on the May Day queen contest. Gate receipts at the senior play were \$144. Net profit of \$102. Judging from comments heard the May Festival was a huge success in every way.

The following students were nominated during the past week for student body offices for the election held today: President, Bill Spies, Bill Earl, Lee Kruse, George Stout, Paul Davenport; vice president, Margaret Monson, Eathel Ann Newton, Emma Lukens; secretary, Montana Crossett, Gerry Kem; treasurer, Miriam Ferrin, Lillian Geer; business manager, Jimmy Bickie, Lee Kruse; editor, Martha Arnold, Betty Hopper, Pauletta Powell, Eathel Ann Newton, Jean Teal, Audrey Turner.

Skuzie walked away with the tennis singles championship last Friday when he won from Weldon 6 to 0. Weldon gave Skuzie little competition by only ducing the game a few times and never winning. Skuzie and Harry McCall won the doubles championship by defeating Wynne and McKibben 6 to 2.

The letter girls from Creswell, Walker and Cottage Grove high schools played two games of baseball May Day in which Cottage Grove won one game with a score of 24-20 and Creswell won the other with 17-10.

The two games were going on at the same time. Cottage Grove had two teams, one of which played against Creswell, another played against Walker.
