

Towering Beauty At Fair

With the delicate leaves and branches of a tree framing this mystic Tower of the East at the California World's Fair, the spot is another one where visitors to the Exposition find enchantment. Each of the many beautiful courts and fountains has its own particular charm, and together they make Treasure Island a true magic tale of romance.

Brice Creek CCC Boys Fight Fires

Work which has been carried on in the Rujada area by CCC boys from the Brice creek camp is being held up, according to Forest Ranger H. E. D. Brown, while the boys have been assigned to the army of fire fighters now bringing Oregon's fifty million dollar blazes under control. Sixty of the boys have been sent to the fire in the Powers area while a second contingent of 25 have been sent to fires in Douglas county, to join a similar sized group from the local camp already at work there. No fires had been reported in the Rujada area up until Wednesday morning, but Rujada ranger station reports that the shower which fell in Cottage Grove early Wednesday morning did not reach to the Bohemia district.

The Sharps creek road into the Bohemia section has been graded and improved, but the road is narrow and steep in places and forest service officials advise motorists not to attempt to travel the road into Bohemia. Local motorists often make the Bohemia loop, going up the Brice creek road and returning down the Sharp creek road. In this way danger from the narrow road is lessened.

Beautiful New CORONA Speedline Portable Easy to Use... Easy to Learn... Easy to own...

Aid your school or business career with this new Corona Standard. Gives beautiful, clean-cut typing with a professional touch. Lightning fast, piano-key action. Built by the pioneer makers of portables for lifetime use. Fully enclosed to keep out dust. Free carrying case and typing instruction chart. Has the famous FLOATING SHIFT that saves energy. Come in and try it today.

News Briefs

Springfield will relocate their city limits in order to permit the Washington Veneer plant to locate in a preferred site in that city, without being subject to the high city tax rate, if action taken by 42 members of the Springfield chamber of commerce Monday night is indicative of the general sentiment in the city. Business men there feel that increased business due to the payroll of the proposed new industry will more than compensate for loss of tax value to the city of the property desired as a site for the plant.

The Portland News-Telegram has joined the list of more than 200 American dailies to suspend publication within the past year. The News-Telegram, a member of the Scripps chain, gave increased operating costs, including mounting tax burdens, as the reason for suspending publication. The Portland Journal has taken over the News-Telegram's subscription list and "big name" features.

Eugene police are holding for ten days on a vagrancy charge a transient suspected of complicity in the wreck of the streamliner, "City of San Francisco," near Carlin, Nevada, August 12, in which 24 people lost their lives and 108 were injured. The wreck was deliberate, and the result of a plot, a board of inquiry recently decided, in absolving railway employees of negligence.

Cochran Wins Batting Title With .477 Mark

Manager Cochran of the Lumber Workers Union team won the individual batting title for the season just completed. Cochran has an average of .477 by getting 21 hits in 44 official trips to the plate. H. Mosby of Dorena was a close second with 10 hits in 21 times to bat for an average of .476. Jarrard of the Eagles was third with an average of .448. These averages include only the games in the score book that were completely recorded. Cochran also lead with total number of hits with 21 followed by Caton of the Quality Market with 19 hits.
