INDUSTRY DECREASES PRICES

THE PRICE OF RUBBER HAS BEEN BROUGHT DOWN TO A POINT IN 1940 TO 57 CENTS AS A RESULT OF THE FACT THAT PRODUCERS HAVE BEEN ABLE TO USE PRODUCTS MADE BY RUBBER TO PRODUCE OTHER PRODUCTS OF IT AND NOW CONSUMED ANNUALLY.

ABOUT 40% OF THE FARMER'S ANNUAL COTTON CROP IS CONSUMED BY OTHER THAN OTHER TEXTILES.

GRAPEFRUIT

THE SMALLEST TREE IN THE UNITED STATES IS THE GRAPPELLO, WHICH IS ONLY 6 INCHES HIGH AND SOMETHING DOES NOT GROW IN THIS COUNTRY.

THESE SO MANY BECAUSE THEY GROW IN CLUSTERS LIKE GRAPES.

TAXES PAID BY U.S. RAILROADS LAST YEAR AMOUNTED TO MORE THAN \$100,000,000 OUT OF A TOTAL OF \$1,000,000,000 IN OPERATING REVENUE.

Fruit Growers To Meet Today

Problems of growers of small fruits and tree fruits, particularly cherries, will be discussed at the annual meeting of the Lane County Horticultural society to be held in the Moose hall in Eugene today, starting at 10 a. m. The meeting has been arranged by the Lane County Horticultural society cooperating with O. S. Fletcher, county agent, with program as follows:

10:00—Cover crops and green manure crops for Lane county, O. S. Fletcher.

10:30—Problems of growers of strawberries and cane fruits, by O. T. McWhorter, extension horticulturist, Oregon State college.

11:30—Annual business meeting and election of officers of Lane County Horticultural society.

12:00—Noon recess.

1:15—Control of cherry fruit flies, with report on special investigations and experimental work under way in Lane county, by S. C. Jones, assistant entomologist, Oregon State college.

2:15—Control of leaf spot and brown rot of cherries and report on special investigations under way in Lane county, by Dr. S. M. Zeller, plant pathologist, Oregon State college.

3:15—General discussion of other problems of Lane county fruit growers.

All people interested in the fruit industry in Lane county are invited to attend, according to County Agent Fletcher.

A LOT LOWER PRICED THAN MOST PEOPLE THINK!

9 OUT OF 10
A recent national survey shows 9 out of 10 people think a Pontiac costs an average of \$100 more than it actually does in relation to lower-priced cars. Don't let this mistaken idea keep you from investigating Pontiac. Don't buy any low-priced car until you compare its price with a Pontiac. The slight difference will amaze you.

HERE'S WHY SO MANY THINK PONTIAC HIGHER PRICED THAN IT ACTUALLY IS!

BIG CAB DIMENSIONS AND APPEARANCE
Add a few dollars to the price of the lowest priced cars and get a big Pontiac. 4 inches wider at front seat, 8 1/2 inches longer from bumper to bumper than last year!

THE "TRIPLE-CUSHIONED" RIDE
Do you get car weary on long trips? Get a Pontiac and relax. Pontiac's "Triple-Cushioned" ride is worth all the slight difference between Pontiac and lowest-priced cars.

EXQUISITE, WIDE-VISIONED INTERIORS
Ever wish your car were larger? Pay a few extra dollars and get a Pontiac. It's wider-seated, wider-ventilated with Hi-Test Safety Plate Glass in all sedans.

THRILL PERFORMANCE
You only have to go to the first traffic light to sample the thrill performance in Pontiac's power-packed engine.
