AMERICAN BOY MAGAZINE COMPANION TO THOUSANDS

Hundreds of thousands of boys and young men read THE AMERICAN BOY Magazine every month and consider it more as a living companion than as a magazine.

"It's as much a buddy to me as my neighborhood chum," writes one high school senior. "THE AMERICAN BOY seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in THE AMERICAN BOY."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in THE AMERICAN BOY Magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track, tennis, in fact every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and leaders of boys clubs also recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in THE AMERICAN

BOY, the sort of reading matter boys like best.

THE AMERICAN BOY sells on most newsstands at 20c a copy. Subscription prices are \$2.00 for one year or \$3.50 for three years. Foreign rates 50c a year extra. To subscribe simply send your name, address and remittance direct to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Michigan. 26-2tc

BIG CAMPAIGN

Bulk of Pontiac Motor Division's January-February advertising schedule—biggest since the model year opening was shifted to autumn six years ago—will be carried by newspapers, F. A. Berend, Pontiac advertising manager, announces. More than 2,000 newspapers in 1,500 cities will be used.

On the heels of a record-breaking last quarter and a 1939 sales total 59.4 percent over 1938 Pontiac has increased its advertising budget 48 percent for the first two months. Newspapers will get 61 percent of the 1940 January-February total compared to 47 percent in the same period last year.

"We are making newspapers the backbone of the campaign because of their flexibility and the opportunity of localizing copy."
