Cure Spring Fever With Right Foods

Serve Liver Often to Insure Good Supply of Iron and Other Food Essentials.

"That tired feeling" in spring-time is sometimes more than imaginary. There is often a real cause which calls for some sort of remedy. Grandmother thought the cure consisted of doses of sulphur and molasses or some other spring tonic. In light of our newer knowledge of nutrition, we now understand that the right food is important in giving us back our energy and sense of well being when we seem to have lost them.

Iron Is Important

One of the food elements which may be lacking in our diet is iron, which is essential to the formation of good red blood. Lean meat is a valuable source of iron, as well as of copper, which aids in the utilization of iron. Richest of food sources of these minerals is liver. That is the reason why food experts recommend that it be served regularly in the diet, especially of children, to insure an adequate supply of iron.

Liver Rolls with Sausage Stuffing

6 large slices liver
6 to 8 links cooked pork sausage
1 cup fine dry bread crumbs
1 small onion, grated
½ cup hot water
Salt
Pepper
6 slices bacon

Pour hot water over the liver slices. Sausage left over from breakfast may be cut into pieces for sausage stuffing. If no cooked sausage is on hand, brown and partially cook the sausage first. Combine with bread crumbs. Season with grated onion, salt and pepper and moisten with hot water. Pile a teaspoonful of bread dressing on each of the scalped liver slices. Roll and wrap a slice of bacon around the outside. Fasten the ends with toothpicks. Place in a baking dish. Add one-half cup of hot water, cover and cook slowly in a moderate oven for forty-five minutes. Remove the cover during the last fifteen minutes in order to brown the bacon.

Another tasty liver dish which is quite out of the ordinary but very delicious is liver chow mein. This dish is a variation of the everpopular Chinese dish of the same name.

Liver Chow Mein

1½ pounds sliced liver
2 tablespoons lard
1 cup diced celery
½ cup chopped green pepper
1 No. 2½ can tomatoes
1 can Chinese vegetables
6 tablespoons cornstarch
3 tablespoons brown sauce
2 tablespoons soy sauce
Salt and pepper
Dice liver and brown in hot lard. Add celery, green pepper and tomatoes and allow to simmer for about twenty minutes. Add drained Chinese vegetables. When heated through, thicken with cornstarch blended with brown sauce and soy sauce and enough water to make pouring consistency. Season to taste. Serve on Chinese noodles.

"Nothing the matter with you. Your pulse is as steady as clockwork."

"But doctor, you've got your fingers on my wrist watch."

ROUND STEAK IN TASTY STYLES

Round steak is a delicious dish for the family meal and one which satisfies keen appetites. The steaks cut from the round are cooked by braising. They may be cut thick, as Swiss steaks, or cut into thinner slices and used for beef birds.

A somewhat different way of preparing round steak, suggested by Inez S. Wilson, home economist, is to wrap the meat around whole carrots instead of bread dressing.

Steak Wrap-arounds

1½ pounds round steak
6 slices bacon
6 carrots
Salt
Pepper
Flour
2 tablespoons lard
¼ cup catsup
½ cup water
1 teaspoon Worcestershire sauce

Have round steak cut one-half inch thick. Cut into six rectangular pieces. Lay a slice of bacon on each piece, then a whole carrot which has been previously cooked in water. Roll up and fasten with a toothpick. Roll in seasoned flour. Brown in hot fat in a frying-pan. Place in a casserole. Make a sauce by mixing the catsup, water and Worcestershire sauce and pour over the meat. Cover and cook in a moderate oven (350 deg. F.) for about an hour.

TAKING THE FIRE TRUCK OUT OF CITY LIMITS

Many municipalities over Oregon are having the same difficulty in providing fire protection to both residents in and out of the city limits. City fire trucks are usually bought, paid for and maintained by the residents of the municipality. In case of a run outside of the city limits and a call within the city limits at the same time puts the fire department in a bad way and may be cause for a law suit. So numbers of cities are maintaining a rigid rule, never to take the truck out of the city limits. If you live near the city limits, the best way to have fire protection is to vote to annex your section of the country to the city.

First London Taxi

London's first taxi driver, Joseph Brown, has been fined \$1.25 at Clerkenwell police court for passing a red light. Brown told the magistrate that he had driven taxis in London for 37 years. His first cab was like a hansom with the steering wheel at the rear.

Happy Ending

Gilberto Venturini, one of Italy's most famous clowns, played a farewell joke on his son by bequeathing to him his top hat. When the son dashed the hat to the ground in anger, a paper fell out. It was a deposit slip for 30,000 lire (\$1,500) in the son's name.

Sugar Beet Labor

Outstanding characteristic of sugar-beet production is the need for "stoop" labor in thinning the plants by hand and picking up the beets at harvest. Ordinary farmhands find the stooping difficult. The U. S. department of agriculture predicts this labor will be performed by machines in the near future.
