**COLUMBIA INDUSTRIES CAMPAIGN**

April 26th the annual Columbia Empire Industries area-wide campaign will be inaugurated ending May 15th. This year the campaign will be launched under the title of "Prosperity Quiz." The idea back of the whole campaign is to get northwest people interested in what the northwest is doing and whether you get anything further out of the campaign, you may get information on what kind of products are manufactured in this section of the country. Incidentally the idea is to also create public sentiment in buying our needs to support our own industries.

There are those who will say such a campaign is no use and the sponsors are wasting their time. But did you ever stop to think that an individual never got anywhere who did not take a little pride in his work and at least have a good opinion of his job or position. Well, the same applies to a community or to a section of the country. We have to have first of all a little home town pride and back this pride up by the necessary co-operation.

**PAINT UP, CLEAN UP**

Now that quite a bit of remodeling has been done along Main street, we are reminded that this is the season for spring house cleaning and for applying much needed paint. Whether we like it or not the face of Main street will eventually be changed quite a bit as well as other parts of the community. The coming of the highway will do this for us.

Liberal use of approximately 15,000 gallons of paint over town would make quite a change in its looks, at least it would help everybody's feelings and the property owner would be doubly benefitted. In addition to aiding the general morale of the town, property owners would be protecting their investment and helping to stabilize their investment at the same time.

It has been pointed out that merchandise here is usually less expensive than in the larger centers, the same quality considered, but perhaps quite a few sales are lost because the local merchandise is not shown in the proper advantage. Clean streets, modern display windows and modern merchandising would undoubtedly help.

Housewife: "If I give you a dime will you spend it on whiskey?"

Tramp: "Well, if you insist."

It isn't flattery that pleases a man, it's the fact that you believe he is worth flattering.

**HIGH SCHOOL NEWS**

(FAYE LEBOW, Editor)

"I am happy to be in Cottage Grove this morning in this new building, happy to have a chance to see the dads of some of the students at our university," declared Dr. Thompson of Willamette University who spoke in a special assembly Monday morning.

"I am reminded when I look at you of a young German friend that I met in Germany," said Mr. Thompson. "He asked me three questions: 1. If I were in America could I read what I wanted to? Could I do what I wanted to? Could I be what I wanted to be?"

"In Germany," went on Dr. Thompson, "Young men, after finishing eight years of school, have four years of apprenticeship in some trade, and then train for the army two years. If the fuhrer has no war ready for them, they may work at their trade."

Mr. Williamson presented to five F.F.A. boys their letter awards. The five boys were Dean Chapman, George Stout, Vinal Randall, Owen Sloan and Leo Hart.

The candidates for the student body election to be held Wednesday were presented. Candidates for president are George Dugan and Bill Workman; vice president, Patricia Baldwin and Marcia Brund; secretary, manager, Dick Smith and Harry Sturges.

**Report on Conference**

Excited but sleepy were the girls, Lois Hanson, Mary Decker, Mildred Harris, Gladys Lemley and Miss Stadden who left at 5:30 Saturday morning with Mrs. Lemley to attend the Northwest Conference of girls and advisors, held at the Girls' Polytechnic high school in Portland.

The girls enjoyed a full day of interesting things, but the special interest was the system of running this special training school.

The students expect R. S. Drenner to talk to them soon. He is the painter who is painting the mural for the library.

**School Briefs**

As the assembly bell rang Friday the students gathered for the presentation of the number to be sung at Forest Grove. Bill Spies, Audrey Turner and Patricia Baldwin sang solos accompanied by Mrs. Caldwell. The Choral Singing class sang one number.

Poor seniors! They had to suffer another day of picture taking. The pictures that were taken last Tuesday were not so good and had to be retaken.

Dr. Axley has donated four

issues of the National History magazine to the library. The magazines contain many articles on nature study.

Three juniors from the three junior home rooms have been selected to make plans for the junior-senior banquet to be held in May. The following were chosen: George Dugan, Mary Barr, Marcia Brund, Sylva Michael, Bill Rorer, Lois Hansen, Albert Smith, Margaret Tarr and Lura Wilson.

**HOME RUN TOMMY**

Tom Cox, local student at the University of Oregon, will probably be known either as "Home Run Tommy" or "Babe Ruth the Second" when he returns at the end of the University session to cast his lot with some member of the softball league. Cox hit a home run Friday in the Webfoot-Oregon State college baseball game, but the home run was not enough, the University was beaten.
