

800,000th Chev Off Lines May 10

DETROIT. — Chevrolet's 800,000th automobile to be manufactured since the introduction of the 1940 model was produced Monday morning, May 13, it was announced here today by M. E. Coyle, general manager, Chevrolet Motor Division. The unit came off the production line shortly after the beginning of the work day Monday.

"On March 21, Chevrolet announced completion of car No. 600,000, and on April 16 reported production of its 700,000th unit. "This production rate has been made possible by retail domestic deliveries in March of 106,108 new cars, and the domestic sale of 108,327 automobiles in April."

London 4-H Club to Present Candle-light Ceremony Over KOAC

Members of the London 4-H club under the leadership of Mrs. Jeanne Morton, will present their candle lighting ceremony on the regular 4-H weekly program over KOAC at 7:30 p. m. This ceremony has been put on by the club members at the Christmas program and at the January county club leaders meeting in Eugene. It has been adapted for radio presentation by Mrs. Morton and will be the first time that a candle lighting has been presented by club members by means of the radio.

RICE WINS TROPHY

UNIVERSITY OF OREGON, Eugene. — Stephen Rice, Springfield, was one of the members of the ROTC rifle team at the University of Oregon to win the William Randolph Hearst trophy plaque this year.

The Hearst rifle shoot is the only intercollegiate event in the world embracing so many institutions of all kinds. Last year the University won first place and this year they placed second.
