SINCLAIR-ize

for Summer!

SPECIAL PRICE NOW

The Manufacturer of Your Car Recommends

that it be specially prepared for summer driving. He makes that recommendation because he knows that by having a few important services attended to NOW, you can help avoid repair bills and perhaps prevent a serious accident this summer. Now here is our money-saving offer: Bring your car to our garage and we'll Sinclair-ize it at a SPECIAL COMBINATION PRICE. Here's what we'll do:

DIFFERENTIAL
We drain, flush and refill with the correct Sinclair gear lubricant. This lubricant has been especially developed to prevent wear on gears in hot weather. (If your car is equipped with hypoid gears, we have a special Sinclair lubricant for that type of gear.)

TRANSMISSION
We drain and flush out the winter-worn lubricant and refill with fresh Sinclair lubricant. Summer grade. This protects delicate gears and promotes smooth, silent power.

CRANKCASE
We drain and clean with special flushing oil and refill with the famous Sinclair Opaline Motor Oil. This motor oil lasts longer and stands up better between drains because it contains no wax or non-lubricating petroleum jelly. (If you prefer Sinclair Pennsylvania Motor Oil there is an additional charge of 5c per quart.)
