Lions to Battle Sweet Home 16th

(High School News)

The Cottage Grove Lions as the new co-champions of the Lane-Douglas league, will travel 90 miles next Saturday to battle with the powerful Sweet Home warriors on Sweet Home's newly turfed field.

The Warriors' slate had remained unscarred until they tackled the Springfield Millers and were downed 6 to 0 in one of the worst mud battles of the season. In the Springfield game the Warriors' two halfbacks, Halloway and Hoffman, were handicapped by the mud, but the Lions may expect no such luck as this game is to be played on the turf where the Warriors can take full advantage of their halfbacks' speed of passing ability. On the other hand the Lions with a last conference victory and a co-championship under their belt will be geared up to full strength and will make it plenty tough for the Warriors to force the elusive little pill into pay dirt.

WRAP XMAS MAIL EARLY

Cottage Grove, Oregon,
November 9, 1940

Dear Editor:

It has been brought to my attention by the Post Office department that in view of expediting the handling of mail during Christmas season it is desired that patrons living on rural or star routes be encouraged to purchase supplies of stamps in advance and affix necessary postage on first class mail, and greeting cards in unsealed envelopes containing no writing. Their cooperation in stamping their mail before putting it in the box will facilitate prompt handling at the post office and in many cases prevent delay.

If you will advise our patrons through your paper regarding the above matter it will be greatly appreciated.

Sincerely yours,
N. J. NELSON JR.,
Postmaster.
