

Unemployed May File Claims in Dec.

SALEM.—A new procedure by the State Unemployment Compensation commission will permit unemployed workers to file claims for 1941 benefits the first week in December although the first waiting week may not be served until the week beginning December 9, it was announced today by Administrator Silas Gaiser.

As three waiting weeks must be served before insurance is paid, the earliest possible compensable week for the new year will end January 4, 1941.

Meanwhile auditors and other representatives of the commission are making every effort to secure complete wage reports for the four quarters starting October 1, 1939 and ending September 30, 1940. Upon these records 1941 benefits are based. Because of a more effective field force, and co-operation of employers, the percentage of delinquency this year is lower than ever before.

Claim deputies in 22 employment offices have been instructed thoroughly in the new procedure in the past few weeks. With preparations practically complete for handling up to a thousand claims per working day, officials expect prompt payment of benefits. Last year nearly 35,000 initial claims were taken before the end of January.

Those seeking 1941 benefits must have earned \$200 in covered employment in the base year ending with September 30, 1940. Benefits are paid in weekly amounts of from \$7 to \$15, with the total not exceeding a sixth of the base year earnings.

PAYMENT OF AAA CHECKS AHEAD OF LAST SEASON.

Payment of benefits under the 1940 AAA program in Oregon is ahead of last year at this time in total number of applications received and approved for payment, although the total amount paid is below that of a year ago, according to a report just made by N. C. Donaldson, executive officer at the state AAA headquarters.

A total of 3689 applications had been approved for payment to November 20, amounting to \$495,571.74. A year ago only 1565 applications had been approved, although the amount involved was \$555,780.52. Because of the reduction in wheat and some other payments the total cash benefits this year will be under those of a year ago.

Counties which have sent in the most applications to date are Umatilla, Hood River, Union, Deschutes, Jackson, Josephine, Klamath, Morrow, Multnomah, Tillamook and Willamette.

TOWNSEND CLUB LAUNCHES MEMBERSHIP DRIVE.

The Cottage Grove Townsend club met Monday evening for the regular business session and launched plans for a membership drive. The Townsend national representative asked Oregon for 15,000 new members by March 1st and the club decided to launch a local membership drive to end February 1st with Mrs. Petrie and Peter Brittain as captains. At the end of the contest the losing side will feed the winners. An old fashioned spelling bee was announced for December 2nd.

There were about sixty present at the Monday meeting. Bulletins were read by Dr. J. W. Tarr.

STYLE SHOW.

The Home Ec classes are inviting the mothers of any student in high school to attend a style show and tea to be given Wednesday, December 4, in the afternoon.

For the mothers who haven't seen the building, there will be conducted tours from 1:00 to 2:00 p. m. The style show will start at 2:00 o'clock and will be held in the auditorium. Clothes made by the first and second Home Ec classes will be modeled, along with children's clothes made by advanced home ec students.

Tea will be served in the cafeteria at 2:45 p. m.

Lady: "I guess you're getting a good thing o'tending the rich Smith boy, ain't ye, doctor?"

Doctor: "Well, yes, I get a pretty fair fee, Why?"

Lady: "Well, I hope you won't forget that my Willie threw the brick that hit 'im."

Pontiac Two-Tone Orders Are Up

Thirty-two of every 100 new Pontiacs ordered since the beginning of the 1941 model year have had two-tone paint jobs, D. U. Bathrick, general salesmanager of Pontiac Motor Division, reported this week. Last year only 10 percent ordered special paint combinations.

Completing the first color preference check of the new model year, Bathrick reports that in the solid colors black still leads in preference with 26 percent but is being hard pressed by maroon with 24 percent. Dark blue is third (14 percent) and dark gray follows with 13 percent of the buyers.

Two shades of green—Thetis Green and Allendale Green—are leading the two tone preferences. Next most popular of the special paint jobs is Streamliner Gray with Silver French Gray. Popular despite its premium price is the combination of maroon and beige specially blended into each other, Bathrick said.
