Flying Club Plans To Purchase Plane

At a special meeting of the Cottage Grove Flying club Friday evening, plans were launched for the purchase of a plane to be used by club members at the airport south of town. A petition is now being circulated among members asking each to contribute toward the purchase of a ship, the time limit set for a definite decision on the purchase of the ship is February 17th, at which time the club members will meet again and canvass the results of the petition.

A change in club officers was also made at the meeting last week. Cleo Morelock was chosen president succeeding J. R. Petersen, resigned. Mrs. Helen Morelock submitted her resignation as secretary of the club, which was accepted, and Robert Boyce was chosen as secretary.

Lions Drop Close Game to Uni High

The enthusiastic support of the crowd didn't seem to help the Cottage Grove Lions as they dropped a close game, 21-20, to the University High Golden Tide here last Friday night.

The Lions were behind throughout the game except for two short leads in the second quarter.

Plath started the scoring with a one-hand push shot, but Hocker retaliated with a free throw. Harbert and Shupe scored for a 6-1 lead before Hocker scored a long shot and foul shot and Don Davenport a free toss to bring the score to 6-5 at the first rest period. Hocker opened the scoring in the second quarter for Cottage Grove and brought the first lead, but Harbert came back with two free shots and then Hocker and McKibben scored two howitzers to take a 11-8 Cottage Grove lead. Dubois connected on a foul shot and Shupe sang a long one to tie the score. Shupe scored on a slick play and Harbert and Taylor got a free toss each to put Uni Hi in front 15-16 at the half.

Both teams tightened their defense in the third period with Cottage Grove getting five points and University high four to bring the score to 19-16 at the end of the third period.

Hocker cut the lead to 19 to 18 at the fourth quarter's beginning, but Shupe got the winning field goal shortly afterwards on a lay-in. Tommy Jones, the game's bad man with four personals and a technical, scored a long one-handed shot to cut the lead to the final score 20-21. Cottage Grove, trying to break up the stall, committed two fouls but Uni Hi took both out of bounds. Hocker was fouled, with seconds to play, but missed the typing point.

Hocker of Cottage Grove was high point man with 12 points and Denny Shupe was high for the Golden Tide with eight points.

The Lions were partially handicapped with the loss of Johnny Minor for most of the game, as he hurt a finger in the first period. Harold Wicks, who took his place, gave a very good account of himself as he proved his ball-hawking ability.

This loss dropped the Lions out of the district race and kept the Golden Tide in the running.

The undefeated second string of Cottage Grove kept their slate clean with a thrilling last minute 22-20 victory after trailing most of the game. Richard Thies led the scorers with seven points.

WASHINGTON. — Willis Van Devanter, former associate justice of the United States supreme court who retired in 1937, died suddenly Saturday of a heart attack. He was 81 years old.

Van Devanter, who was appointed to the supreme court by President Taft in 1910, left the court under provisions of the statute permitting justices over 70 who had served 10 years to retire at full pay of \$20,000 a year.

He had been in poor health since his return from a visit of several weeks to New York when he presided over the federal district court there, but his death was unexpected.

HOUSING SHORTAGE.

The housing shortage in Cottage Grove appears to have grown more acute within the past two weeks with numerous calls for furnished and unfurnished houses. The situation may be relieved somewhat with the coming of spring since several new homes have been planned, but building operations will be held up until more favorable weather occurs.

VAN DEVANTER DIES.

Harriet Ingram, Creswell, was named president of the Western Oregon Elementary School Principals association at their fifth annual region conference in Eugene Saturday, succeeding Harry W. Cameron, Silverton. She served the group during the past year as vice president. Other officers named were J. P. O'Keefe, Donald, vice president; Anna McConnell, Albany, secretary.

The conference drew nearly 100 delegates from Marion, Linn, Benton, Lane, Douglas, Curry, Coos and Lincoln counties. Sessions were held in the Frances Willard school.
