

LION ROARS

(ALYCE TRUNNELL, Editor.)

Among the interesting displays shown at the "Open House" Friday evening at the high school were those of the Home Ec department. They ranged from basketweaving to decorated paper plates which were made by the Home Ec III class. The Home Ec II A class showed displays on the food values of different articles. The display attracting the most attention was the one showing the amount of food that one person is allowed to eat in a week in unoccupied France. Those seeing the display were quite amazed at the small amount.

Punch and cookies were served during the evening by girls of the Home Ec I class. Since the cookies were being baked during the evening the odor permeated the house causing the Home Ec department to be very popular.

Three cook books were given away at a drawing held in the Home Ec room with Mrs. C. Crane, Myrtle Pollock and Mrs. J. Turner each winning one.

OUR DEMOCRACY

by Mat

FOR THE FEW THEN -
FOR THE MANY NOW.

WHEN THE ENGLISH SEA DOGS WERE EXPLORING OUR ATLANTIC COAST AND VIRGINIA WAS BEING SETTLED, SOME OF THEM WERE INSURED. THE PRACTICE WAS LIMITED TO THE SPECTACULAR FEW. TODAY HALF THE U.S. POPULATION IS INSURED.

HOW MANY OF THE THINGS WE REGARD AS NECESSITIES TODAY WERE RARE LUXURIES OR NON-EXISTENT THEN.

DOCTORS WERE VERY FEW, EPIDEMICS FREQUENT.

PRE-EMINENT IN MEDICINE, WE HAVE A PHYSICIAN FOR EACH 750 PERSONS.

SOAP WAS FOR THE RICH ALONE.

WE USE 26 LBS. PER YEAR PER PERSON.

MUD EVERYWHERE IN ROADS AND STREETS, EVEN IN LONDON.

THE U.S. HAS 1,200,000 MILES OF SURFACED ROADS.

THE ONLY DENTISTS WERE SELF-TAUGHT "TOOTH DRAWERS." EVEN THE QUEEN HAD CHRONIC TOOTHACHE.

U.S. DENTISTS BEST AND MOST NUMEROUS IN WORLD.

Moths Most Destructive

Moths are the nation's greatest and most expensive insect offenders, a recent survey by an expert discloses. They know no season, so housewives must constantly be on guard against them. One preventive step, says this expert, is to keep furniture and clothes spotlessly clean. Frequent brushings and airings in the sun will do much to destroy the moths. Before storing your clothes should be cleaned. Then seal them in air-tight bags or spray with a moth preventive. One excellent spray not only kills moths, carpet beetles and their larvae, but also mothproofs the fabric for a year.

Diamonds Are Elusive

Four tons of diamond-bearing earth must be removed and carefully examined to secure a single carat of diamond, and only one carat in four recovered can be used for fine jewelry.

Number of New Members Taken in Hebron Grange

New members elected to membership were: Elsie Laird, Eva Hopman, Ada Hopman, Lois Tullar, Ruth Harris, Elsie Chilson, Berta Tullar, Alpha McGarvin, Pauline Millica, Richard Laird, Ben Chilson, Amos McGarvin, Lyle Millica and Marvin Harris. Mrs. Helen Tapp, veteran Grange member, was welcomed as an honorary member.

The agriculture committee report included a letter from County Agent Fletcher, telling of the grey digger and rodent control program for Lane county. Master Earl Murry appointed as district chairman for this work: Hugh Trunnell, Latham; Clifford Williams, Hebron; George Small, London.

Jeanne Morton reported on Home Economics with a letter from the Corvallis Children's Home. She reported that many applications for A.A.A. mattresses had been filed with her and reminded members that the closing date for applications in this district would be April 10th. Hebron Grange placed first in the state Grange Bulletin advertisers sales slip contest for the second quarter. The prize of \$10 cash was voted to be placed in the building fund. Mrs. Morton reminded members that renewed efforts must be made to turn in slips from Bulletin advertising firms as total amounts are divided among the total memberships at the close of the quarter. With many new members for the new quarter, members must become more sales slip conscious to keep in the race.

An invitation was received for all Grange members between the ages of 14 and 35 years, to attend the Pomona Y.G.A. party to be held at Thurston Grange hall the evening of April 9th.

The recently enacted bill on tax collected at all entertainments where admission is charged was explained by Secretary Hazel Fuhrer.

It was voted to purchase the heater now being used in the hall from the Latham school district.

A new Bible for the altar was presented by Chaplain Seldon Powell.

The following program was presented at the literary hour: Poem, Wilma Harris; song, Dorothy Harris and Ina Fix; reading, Mrs. Fred Harris; song, Fred Harris.

Efficiency is the word for Colorado Springs firemen. Called to a blaze in a bank building, they discovered a huge pile of trash on fire in the boiler room. Grabbing shovels, they simply scooped the burning pile into the firebox.
