LUMBER SHIPMENTS LIGHTER.

Lumber shipments out of this district over the Southern Pacific the past week were slightly under the previous week due to the fact that there was no lumber shipments made over the O. P. & E. Saturday. Total cars out of the district numbered 134. In addition there were fourteen cars of piling and one of clay. Of interest is the fact that the piling shipments are up about 100 percent over the corresponding period of a year ago due to the defense requirements. Lumber shipments are about sixty to seventy percent higher.

JUNE 1941 RESIDENTIAL AND FARM RATE

"WHAT DO I SAVE ON MY BILL OF \$4.35 PER MONTH?"

This amount buys sufficient service for an average family with washer, radio, refrigerator, waffle iron, toaster, vacuum cleaner, ... even an electric range for moderate use.

YOU SAVE 47¢ Per month

A 20-Year Record

Our rates have been steadily reduced since we started business and have NOT been crowded into the last few years.

For example: Residential Service now costs less than One-Third as much as in 1921.

In 1921 customers paid \$11.00 per month for 100 kwh.

In 1931 customers paid \$6.50 per month for 100 kwh — saving \$4.50 per month.

In 1941 customers pay \$3.39 per month for 100 kwh — Another \$3.11 saving per month.

Total Savings compared to 1921 prices of \$7.61 per month — WE ARE PROUD OF OUR 20-YEAR RECORD OF PERFORMANCE

"WHAT DO I SAVE ON MY BILL OF \$6.40 PER MONTH?"

For this amount electric service is provided for large families, or for homes where greater use of appliances is required (except for water-heating). Here, to be substantial savings.
