Store Moved to New Location at Sixth and Main

Knickerbocker's 5c-\$1.00 store
will stage a grand opening Satur-
day, June 7th with a larger stock
of merchandise at the new loca-
tion in the Wheeler building at
the corner of 6th and Main. Many

new lines of merchandise have
been added for this event. Other
merchandise ordered had not ar-
rived in time for the opening but
will be displayed later. New mer-
chandise never before displayed
here will be available to the pub-
lic.

Since Tuesday night Mr. Knick-
erbocker and his sales force have
been busy arranging the stock in
the new store and moving mer-
chandise from the old location.

The feature of the opening day
is free peanuts to everyone and a
free run arrestor kit to every

lady attending. In addition, prizes
will be given at hourly intervals
and broadcasting will be conduct-
ed from the store throughout the
day.

Specials will be featured from
every department including the
modern candy department. Many
useful items have been placed on
sale at attractive prices for the
opening day.

A color scheme of red and silver
has been carried out in the in-
terior decorations while on the ex-
terior the provincial red is used.
Many new features have been

added to the interior including a
modern candy counter, greeting
card counter, and 12' display
counters. Merchandise has been
departmentalized with each class
of goods on a special counter and
displayed where it can be easily
found by the customers.

The entire floor space will be
used by a display of a variety of
merchandise.

A 7½ pound son, Virgil Louis,
was born to Mr. and Mrs. W. H.
Martin at the Butler maternity
home Sunday, June 1st.

RENEWAL OF DRIVERS LICENSES.

Residents in this area may ob-
tain driver's license renewals at
temporary offices established at
the council chambers of the city
hall, according to an announce-
ment from the office of Earl
Snell, secretary of state. The of-
fice will be open here daily from
9:00 a. m. to 5:00 p. m. for the
convenience of local residents
who wish to renew their driver's
license, due before July 1 of this
year.

Persons who hold current driv-
er's licenses and who are under
70 years of age may renew their
licenses by filling out the appli-
cation form and paying the fee
of \$1.50, it was said.

The only persons required to
take the examination under pro-
visions of law are persons 70
years of age and over; those who
were not licensed during the peri-
od July 1, 1939 to June 30, 1941,
and persons with physical dis-
abilities. The Oregon driver's li-
cense examination consists of a
test on the Oregon motor vehicle
laws, an eye test, a test on ability
to understand road signs, and the
driving demonstration.

Congratulations to Fred

at 6th and Main. Business
as usual is not to be expect-
ed, so it has been said, but
building and remodeling jobs
such as Knickerbocker's 5c

faith in democracy in the
face of world conditions to-
day.
