6,500 to Register For Army Service On First of July

SALEM, OREGON. — Oregon's 57 Selective Service local boards have reported to Lt. Colonel Elmer V. Wooton, state director of Selective Service, that they are fully prepared to register on July 1 the 6500 or more Oregon men who have attained the age of 21 subsequent to October 16, 1940, and before midnight July 1, 1941.

The local boards will conduct the registration July 1 at their own offices except in Multnomah county and in a few local board areas where supplementary registration points are necessary.

The chairman of each local board will be the chief registrar for the board area and will be assisted by other local board members and clerks. Volunteer registrars will be used only in exceptional instances although each board chairman may call upon government appeal agents, advisors to registrants and other Selective Service officials to assist in the registration.

Governor Charles A. Sprague has issued a proclamation pointing out the persons who must register and urging all citizens to cooperate. The Governor's proclamation also urges employers to make it possible for employes to register.

Colonel Wooton has announced that the registration will involve no complex procedure.

The questions on the registrant's card pertain only to his identity, his address, the person who will always know his address, and his employer. Registration should not take longer than five minutes for each individual although in some cases it probably will be extended to 20 or more minutes.

While it is essential that registration be conducted as rapidly as possible, all registrars must allow ample time to each registrant so that every question on the registration card can be answered properly.

No questionnaires will be answered by registrants when they register July 1. Such documents are sent to registrants only after their order numbers have been determined by a lottery to be held in the near future.

Also there will be no physical examinations at the time of registration.

The questions registrants must answer are contained on a four-by-six-inch filing card and include the following: (1) Name of registrant; (2) place of residence; (3) mailing address (if other than place of residence); (4) telephone; (5) age in years; (6) place of birth; (7) occupation; (8) name and address of person who will always know your address; (9) employer's name and address, and (10) place of employment or business.

After a registrant has answered the questions and signed his name to his registration card, he will be given a registration certificate signed by the registrar. He must have his certificate in his personal possession at all times, as under the Selective Service Regulations failure to possess the certificate, or to show it to authorized persons, constitutes a violation of the regulations and is to be considered prima facie evidence of failure to register.

WOMAN DIVISIONS FOR THE ARMY?

Proposals have been made by the civilian defense committee to enlist volunteers without distinction between sexes and it was disclosed the proposals for strictly women's division for the army had been rejected. It was said that women will be given a chance on equal basis with men; how many survive will depend on their ability.

Mrs. E. J. Kent and Mrs. Lawrence Kent and children left Tuesday for a two week's vacation at points along the coast.

Pedestrian Protection— Warnings Painted at "Points of Danger"!

Nearly half the pedestrians struck while crossing streets are hit before they get more than four of five steps away from the curb, according to Earl Snell, Secretary of State. Consequently many cities are painting safe walking suggestions on curbs, as illustrated in the picture above urging pedestrians to look both ways before starting across the street.

—Photo courtesy Oregon State Motor Association.

With approximately 40 percent of Oregon's pedestrian accidents involving unsafe walking practices on the part of the person on foot, Earl Snell, secretary of state, today urged pedestrians to observe greater caution at the curb before starting across a busy street.

"Forty-five percent of pedestrians struck at intersections are hit before they get more than four or five steps away from the curb," Snell declared. "This points to the importance of looking first to the left, then to the right and then back to the left before stepping off the curb."

Snell called attention to the new pedestrian law, effective since June 14th, requiring motorists to give the right-of-way to pedestrians crossing in crosswalks when the person on foot enters or is about to enter the motorist's half of the street. Prior to this law, the motorist was required to stop and give the pedestrian the right-of-way the instant the walker left the curb. Careful observance of the pedestrian's rights on the part of motorists and observance of safe walking practices on the part of the pedestrian will reduce accidents of this type materially, Snell said.

2268 SIGN UP IN DOUGLAS COUNTY.

First figures on the 1941 AAA Farm Program disclosed that 2268 farmers in Douglas county have signed their 1941 farm plan sheets signifying their intention of taking part in this year's program, B. F. Nichols, chairman of the county AAA committee, said Monday. "We believe that we have indications of better compliance with the farm program during the coming crop year than ever before," Nichols stated.

Approximately 92 percent of the county's crop land is signed up under the farm program, Nichols pointed out. He believes that more farmers will plant within the acreage allotments and will use soil conserving and soil building practices in 1941 than any previous year.—Oakland Tribune.

'Entanglement Return'

A taxpayer appeared at the office of John M. Hart, Roanoke, Va., commissioner of revenue, and asked for an "entanglement return." It was finally determined that he wanted a form on which to make out returns for his intangible personal property taxes.

Divide

Birthday Celebrated.

Mmes. John Sowles and Helen Suiter gave a surprise birthday party honoring Mrs. Suiter's mother, Mrs. Sallie Allison, on her 79th birthday, June 24. Guests present were: Mmes. Grace Goens, Emerson Eichler, Lizzie Gillman, Sarah Montgomery, Phillip Holt, Ruth Dugan, Cottage Grove, Miss Ellen Skidmore of Redmond, Miss Mary Ademson of Drain, Mrs. Earl Payne of Saginaw, Mmes. J. A. Mackey, F. M. Chapman, E. L. McReynolds, George Alleman, Jay Suiter, Margaret Arnold and son Tracy of Divide, M. Gray Comstock, Mrs. Laura Payne of Saginaw and the hostesses, Mmes. John Sowles and Helen Suiter. A potluck dinner was served. Mrs. Allison received a number of gifts and many wishes for many more happy birthdays.

Mrs. Richard Knight and daughter Anne spent a few days last week at the home of Mrs. Knights parents, Mr. and Mrs. E. L. McReynolds. Other guests during last week at the McReynolds home were Mrs. Mary Perkins of Drain and two daughters, Miss Effie, a nurse of Good Samaritan hospital from Portland, and Mrs. Leona Brown of Medford.

Mr. and Mrs. George Alleman and Mr. and Mrs. Loyal Leabo and sons Guy and Pat spent Sunday at Siltcoos outlet and other places of interest along the coast highway.

Mr. and Mrs. Joe Glass and grandson, Carl Frost, left last week for Berkeley, California, where they will spend the summer. Mr. and Mrs. Homer Treat of Cottage Grove have moved to the Glass place.

Mr. and Mrs. Price Hamilton and family of Hayhurst valley have moved on the Lindstrom farm.

George Stout from the Reedsport CCC camp spent the week end with his parents, Mr. and Mrs. Frank Stout.

Mr. and Mrs. Clarence Cockrell are moving to Oakridge where they have bought a home.

Americans have more time-saving devices and less time than any other people who inhabit this dreary world.—Selected.

Silk Creek

Miss Ruth Garner and Mrs. Mattie Bensil of San Jose, California, returned home last week after spending several days visiting Miss Garner's parents, Mr. and Mrs. B. W. Garner of this community. Miss Garner and Mrs. Bensil own and manage the Valley Sanitarium at San Jose.

Mrs. H. A. Mitchell and son, James Askew of San Mateo, California, Mr. and Mrs. R. E. Smith and Bert Chevelier of Seattle were guests last week at the George Taylor home. Mrs. Mitchell and Mr. Smith are brother and sister to Mrs. Taylor. On Monday Mrs. Taylor accompanied Mrs. Mitchell and son to Chiloquin where they visited another sister, Mrs. W. M. Pohll.

The L. R. Duffys of Disston route were Saturday evening dinner guests of Mr. and Mrs. George Taylor.

The Misses Margaret and Marion Babcock returned home last week from Medford where they recently graduated from the Rogue River Academy of the Seventh Day Adventist church.

Mr. and Mrs. H. H. Haworth and sons attended an old time picnic held in the Bellfountain park in southern Benton county last Sunday.

George L. Moxley attended the Oregon conference of the Methodist churches held in Eugene last week.

Jan and Dawn Davis of Jewell were guests of Patty, EttaMae and Buddy Taylor for several days last week.

Mr. and Mrs. B. W. Garner, Mrs. Mattie Bensil and Miss Ruth Garner motored to Reedsport last Sunday.

Valuable Manuscripts

The Tadjikistan State library, Moscow, has acquired more than 100 ancient Oriental manuscripts and books of great historical value. Among them are two manuscripts in the Arabian language, one dated 1367 and the other 1626.

Have you discovered how smoothly you pick up speed with Finer Flying A?

Try a tankful today and feel the difference at any speed.

Fast. Slow. Now speed up again. That's the way you drive every day. 25 SLOW 45 15 10 CURVE

At one of these traffic speeds your motor probably fails to run smoothly. That is, with ordinary gasoline. Some motors run smoothly at low speeds but not at highway speeds. Other motors are best at the high speeds but balk at low traffic speeds, or on the pick-up. What to do about it? Just use this different kind of gasoline that's *smooth at every speed.*

It's 7 gasolines blended into one. Big scientific names such as *Polymerized* gasoline, *Alkylated* gasoline are on the Finer Flying A roster. *Re-formed, Cracked, Solvent-refined, Straight-run* and *Natural* gasolines complete the magic seven. All seven are blended together in tested, scientific proportions to run your car with a new, undreamed-of smoothness. One fuel keeps your motor smooth on the hard pull . . . another reduces knocks at traffic speeds . . . another assures smoothness at higher speeds. And so it goes—*smoothly* all the way.

Try this amazing blend of seven great gasolines today. Go fast. Slow. Fast again—*smooth at every speed.*
