City people do not live longer than country people, but the vast public health measures in cities causes them to live longer than they would otherwise. Warren Thompson, population expert, states that people in the Southern states, mostly rural people, live longer than people in the Northern states.

Never an Auto Death

Some sort of safety record is claimed by Italy, town of 1,300 population in Ellis county, Texas. Italy has never had a death within its city limits caused by an automobile accident. Furthermore, no murder has ever been committed among the white citizenship since the town was organized 65 years ago.

Naval Income Is Ahead of Civilian

In comparison of the absolute incomes of naval and civilian personnel, the following figures have been arrived at in giving a true picture: Monthly pay of Chief Petty Officer (plus extras) \$126. To this figure add estimated value of \$16.50, which includes Medical benefits, dental benefits, ship's store and commissary savings, food, rent, entertainment, death benefit and rental allowances, making a total navy compensation of \$286.50.

CIVILIAN: 25 days at \$10. Subtract estimated cost of \$22.50, which includes social security, union dues, taxes, additional clothing, making a total of \$227.50. For a young man aged 20 to buy annuities comparable to the Navy's Retirement Income Plan, it would be necessary for him to spend approximately \$65 monthly for 20 years.

Would Produce Imports Here
As a partial solution to the farm problem created by the European war, Wheeler McMillen, editor of Farm Journal and Farmer's Wife, advocates the beginning of production in America of the 2,000,000,000 tons of vegetable oils, and of flax, jute, coarse wools, and long-staple cotton now being imported.

Canada Fights COUGHS

This New Amazing Way Acts Like A Flash
By far the largest selling cough medicine in all Canada is Buckley's CANADIAN Mixture. Composed from rare Canadian Pine Balsam (by a secret process) Buckley's is entirely different from anything else you ever tried. Get a bottle today—take a tea-spoonful, let it lie on your tongue a moment; then swallow slowly. Instantly you feel its powerful effective action spread thru throat, head and bronchial tubes. Coughing spasms cease. Right away it loosens up thick choking phlegm—opens up clogged bronchial tubes—makes breathing easier. Now you'll know why over 10 million bottles of Buckley's famous cough mixture have been sold in cold, wintry Canada.
Cottage Grove Pharmacy, Kelly Drug Inc. and most good druggists now have this great Canadian discovery.
