Gas Rationing Dates Are Set for May 28, 29, 30

Rationing Cards Will Be Issued 3 Days at Jefferson School.

HOURS SET IN THE AFTERNOONS.

Gas rationing will be conducted here three days next week, May 28, 29 and 30, and from the preliminary information available it will be handled much in the same manner as the sugar rationing. H. B. Ferrin, superintendent of the city schools, said yesterday afternoon that he had just received word from the state department of education that the rationing for gas would be handled through the schools and registration would be conducted from the Jefferson school. Due to commencement activities and conflicting engagements Supt. Ferrin stated that it was found necessary to establish hours at which time the car owner might register. The hours are: Thursday, May 28, 3:00 to 6:00 p. m.; Friday, May 29, 3:00 to 7:00 p. m.; Saturday, May 30, 3:00 to 6:00 p. m. and 7:00 to 9:00 p. m.

Further than announcing the dates for gas rationing, additional details were not known. Mr. Ferrin said he knew nothing of the plans of procedure nor how gas would be allotted. So far as known the general plan for the state had not been disclosed yesterday.

In a press release dated May 14th received here attention is called to the fact that trucks, busses and other commercial vehicles will not need rationing cards to make gasoline purchases and do not need to register, but it is suggested that "X" rationing cards be obtained. Such cards will enable these vehicles to obtain whatever gasoline they need for essential use. "X" cards may be obtained by ambulances, taxi, ferry, vehicles for public hire, ministers, physicians, veterinarian for official business of federal, state or local governments, for trucking, hauling, towing, freight carrying, delivery or messenger service, etc.

Limited Burning Permits Allowed To Last of Month

SALEM, OREGON — Controlled burning under permit will be allowed up to and including May 31 within the defense area of the state, according to authorization received last week by State Forester N. S. Rogers from Col. J. B. Conny, IX Army Corps, Fort Lewis. The area involved includes western Oregon and that part of eastern Oregon lying west of the Southern Pacific railway. This new order cancels the former army notification that all burning was to cease on May 14.

"There will be strict enforcement of the permit requirements," stated the forester, "and those desiring to burn should contact the local wardens. Since the object of this order is to prevent a smoke nuisance subsequent to June 1 that might interfere with army maneuvers and air activities it is essential that the burning be completed by the end of the month."

Mr. Rogers also stated that this order referred only to the defense area of the state and that other regions were not effected. Elsewhere, he said, burning activities can be carried out subsequent to the deadline date but permits must be secured.

SPANISH VETS TO HOLD ENCAMPMENT

United Spanish Veterans are planning the annual Oregon State Encampment at Astoria with the Edward Young Camp No. 18, July 5, 6, 7 and 8, it was announced here this week. The present war situation is not expected to interfere with the encampment plans in any way according to the announcement.

Mr. and Mrs. Lloyd Pleuard are the parents of a 9-pound son born Wednesday at the McFarland maternity home.

Construction Speeded At Cottage Grove Dam

Construction has been accelerated at the Cottage Grove dam with the coming of spring weather and workmen are filling in on the embankment at the earthen dam according to a report from the resident engineer's office. The spillway has been completed with about 60,000 feet of concrete poured to finish the job. The earthen part of the dam will be finished with the placing of about 50,000 yards of dirt. Approximately 650,000 feet of dirt is in place on the dam. No riprapping work has yet been done. Engineers yesterday refused to hazard a guess as to when the project might be completed. The job was originally scheduled to be finished early this summer.

USO Campaign to Get Started Mon.

The USO campaign will get underway here Monday, Harold Eakin, chairman announced yesterday. The quota from the district this year is \$1,000. The public generally is familiar with the purpose of the USO (United Service Organization), in supplying needs to the men in the armed forces, the same service that the Red Cross, Salvation Army, YMCA and other kindred organizations gave men of the armed forces during the first world war.

The work of canvassing the business section will be done by a group of volunteers as follows: E. L. Cagle and L. C. Schroeder, 5th to West side and south 5th to the Golden Rule Grocery, Larry Levens and H. L. Wolfard, 6th to 7th street on Main, both sides of the block. C. L. Stroup and Herman Petersen, east of tracks. Karl Mills and Fred Anderson, 7th to 9th street and 9th street north. C. K. Haynes and Lloyd Griggs, 5th to 6th streets on Main both sides, full block.

A luncheon will be held Monday noon to work out detailed plans. Canvassing the residential section will be under the direction of Mrs. W. H. Daugherty, assisted by the following ladies: Mmes. W. R. Trembley, C. J. Kern, W. E. Lebow, Georg Bjorset, Don A. Leven, Chas. Hall, C. H. Kime, W. D. Abel, Walter Smith, Herbert Lombard, E. L. Cagle, P. C. Christensen, N. J. Nelson, L. W. Coines, W. M. Harpole, Knaffle Haynes, C. C. Cruson, L. C. Schroeder, A. W. Helliwell, Jack Butterworth, Joe Smith, A. W. Wooley, Pete Anlauf, Welden, Wm. Zimmerly, Stewart Carlson, Clare Hogate, H. M. Sprague, Orlo Bagley, Ralph Saltsman.

Indian Play to Be Community Affair

The pageant built around the American Indian presented the past two years under the direction of R. S. Drenner, will become an annual community affair, if preliminaries started at the regular meeting of the Chamber of Commerce Tuesday are carried to a conclusion. Chamber of Commerce members agreed to make the pageant a community affair to be sponsored by the various civic clubs and other organizations of the community. Previously the pageant has been sponsored by the Cottage Grove Rodeo and Gun club. The Chamber of Commerce fair board will select committees from each of the community organizations to aid in putting on the pageant.

Plans for the South Lane fair were discussed further and Secretary N. J. Nelson Jr., instructed to write the South Lane granges concerning the matter of sponsoring a fair queen. The question of establishing permanent buildings and ground for the fair was also discussed.

R. S. Drenner was guest speaker at the luncheon program and discussed the federal bill which would govern commercial fishing.

COMMISSION APPROVES BUDGET.

The budget commission in the first session Monday evening approved the budget as recommended by the city council with a few minor changes and will hold the final session next Monday evening.

Mr. and Mrs. Harry Davis are the parents of twins, born Friday at a Eugene hospital. The twins are a boy and a girl.

Softball Season to Open on June 5th.

The softball season will be officially opened here on the evening of June 5th according to W. D. Smith, league president, when the six teams of the league will gather at Kelly field. In addition to a few innings played by the various teams of the league, Smith is looking for some big shot to say a few words over the loud speaker as part of the opening program. The first league games will be played June 8th. Playing dates are Mondays and Fridays of each week. Extra games may be played on Wednesdays.

At a recent meeting of league officials Knaffle Haynes was selected secretary succeeding E. R. Lemley, who tendered his resignation because of the nature of his work; L. J. McLaughlin is vice president.

The league this year is composed of six teams: Quality Market, The Grove Hardware, Knickbocker's, Eagles lodge, Creswell and Drain.

Airplane Spotters Serve as the Eyes And Ears of Army

(Editor's note: Below is presented another necessary war time work, carried on by civic minded citizens, who serve without pay.) Airplane spotters are first of all the "eyes and ears" of the army, furnishing information of vital importance of all planes in the air whether enemy or friendly. Also the defense organizations and civilian population depend upon the vigilance of the spotters for warnings of impending danger.

The local spotters uncomplainingly have maintained a 24-hour watch since December 8, and have the satisfaction of making the local post one of the most efficient in this part of the county. Once each week spotters from 6 a. m. to 6 p. m. have a two-hour watch, and from 6 p. m. to 12 p. m. they have a three-hour watch. From midnight to six a. m. spotters have a three-hour watch once in two weeks.

At present a few more people are needed to fill vacancies caused by the closing of school and the seasonal change in occupations. Here is your opportunity to do a patriotic work that needs doing now, not if and when bombs start dropping. Call the defense office or Sibyl Veatch at 174-J.

Airplane spotters working on the local post:

Urgent Call Is Issued For Names for High School Service Flag

F. L. Grannis yesterday issued an urgent appeal for the names of all ex-high school boys now serving with the armed forces, particularly the graduates of the Walker high school. The service flag which was dedicated by Ace Gregg, commander of the local Veterans of Foreign Wars post, at the high school musical program Friday night contains 122 stars. The high school at present has 137 names, but officials are anxious to complete the list and asks the cooperation of the public in supplying names of ex-students in the union high school district.

Preparation Made For Poppy Day

"Wearing a poppy is a pledge that we will not break faith with those who died defending America," said Mrs. Alvis Wicks, president of the American Legion Auxiliary, as the local unit prepared for the annual Poppy Day on Saturday.

"The poppy comes to us from the fields of France where Americans first gave their lives in battle against the dictator powers," continued Mrs. Wicks. "We wear this little red flower in honor of the men who fell at Belleau Woods, Chateau Thierry, St. Mihiel, the Meuse-Argonne and other battles of the first World War. We wear it also in honor of the brave boys of Pearl Harbor, Wake, Guam, the Philippines, the East Indies and all those who have sacrificed life elsewhere in this renewal of the conflict."

"The poppy, as you know, was inspired by the poem, 'In Flanders' Fields' with its immortal lines: 'In Flanders' Fields the poppies blow, between the crosses, row on row.' The poppies were the only touch of beauty that survived amid the desolation of the battle front in France. They formed the only floral tribute on the graves of the dead and became for the men fighting there a symbol of heroic sacrifice."

"Thus they remain today. The poem ends with the words: 'If ye break faith with us who die, we shall not sleep, though poppies grow in Flanders' Fields.' That is their message to us today. We will wear poppies Saturday to show that we are keeping faith."

Paper poppies, made by disabled veterans of the First World War, will be distributed throughout the city on Saturday by the women of the Auxiliary. In exchange for them the Auxiliary will receive contributions for its welfare work among the disabled, their families and the families of the dead of both wars. There is no set price on these red paper poppies; give a dime, a quarter, a dollar; knowing that every penny will be used only for welfare work. The Auxiliary is no social organization, but works with all recognized service organizations which it deems worthy.

University to Hold Sixty-fifth Annual Commencement

UNIVERSITY OF OREGON, Eugene.—The sixty-fifth annual commencement of the University of Oregon will be held the week end of May 29-31, it was announced here by Dr. Donald M. Erb, president of the university.

A total of 648 students are now on the list of candidates for degrees at the commencement exercises to be held on Sunday evening, May 31. Included in this group from Cottage Grove are Raymond Earl Bates, bachelor of science in allied arts and architecture, and Zenna Moughmer, bachelor of science in education.

President Erb will make the commencement address speaking on "The University and the War of Survival." Bruce Richard Baxter, bishop of the Methodist church for the Portland area, will deliver the baccalaureate address on Sunday morning at 11 o'clock. His topic will be "Going Back Another Way."

Reunions will be held for the classes of 1892, 1902, 1912, 1917 and 1932 on Saturday, May 30. The semi-annual meeting of the University of Oregon Alumni association will also be held on Saturday at 11 a. m.

Use of Sugar for Canning Fruit Is To Be Liberalized

News Dispatches Last Night Say 1 Pound Sugar for Each 4 Quarts Fruit.

SPECIAL PURPOSE BLANK IS REQUIRED.

Rationing of sugar for canning has been liberalized according to radio news items last night, although no official word has been received by any rationing board so far as known. The announcement said that one pound of sugar for each four quarts of fruit would be permitted and that one pound per person would be allowed for making jams and jellies.

Previously it was announced that five pounds of sugar per person would be allowed for canning. Persons needing sugar for canning will be required to fill out a special purpose application blank. However no date has been made to fill out this application. With the ripening of gooseberries many housewives will be needing sugar in the next few days.

City Is Looking for Fire Proof Bed to Equip City Jug

The city is looking for fireproof bedding and sleeping equipment for the city jug, following a second fire Tuesday morning, which might have been fatal to the lone occupant. Twice within the past month bedding and a mattress has been set afire. But for the watchfulness of an officer each time the prisoner might have suffocated.

Early Tuesday morning officers took Alvin C. Pile from a south-bound Greyhound bus. Pile was removed after the bus driver complained that he had torn up a seat and spilled wine over several passengers. While Pile was lodged in the city jug, one of his first acts was to set the bedding on fire. Later he was arraigned in the city recorder's court and fined \$20 on a drunk charge.

Dewey Watkins, local mill operator, on the same date, forfeited a \$100.00 fine on a reckless driving charge. Saturday, Clifford L. Friday, employe of the North Coast Shows was fined \$100.00 in justice court on charge of operating a car while intoxicated.

NOTICE TO CEMETERY LOT OWNERS.

We wish to thank all those who have so generously contributed this year and in former years. Be assured your contributions are deeply appreciated. But due to lack of funds and unusually excessive vegetation we may find it impossible to do the alleys and vacancies around your lot if you do not contribute because of financial and any other reason, and we therefore beg that you bring a scythe when you clean off your lot and cut the grass around it. Otherwise your lot may look neglected. Surely you would not want this. Remember this is a community affair, if we don't all contribute, it can't be done. Those who have not already sent in their \$1.00 quota please do so at once, if we do not have the time or opportunity to see you to collect. Thank you. Labor costs money these days.

Yours for a beautiful cemetery, Cottage Grove Cemetery Ass'n. Belle Burkholder, Secretary.

P. S. Also, please collect all rusty, leaky tin cans and broken bottles which have outlived their usefulness and remove same, from your lot and its surroundings.

DRIVERS SCHOOL TO OPEN

Registrations are being taken at the defense office for the coming driver's school to be conducted by a representative from the secretary of state sometime in June. If you are interested in learning more about how to drive a car, back down narrow alleys or in narrow parallel parkings, enroll now. Several have already enrolled at the defense office.
