Use Your Red Stamps

Your red stamps are in the same ration book as the blue stamps you are already using for processed foods. The number on each stamp shows you how many points it is worth. There are 8, 5, 2, and 1-point stamps. The letter shows you when to use the stamp.

During the first 5 weeks a new stamp becomes good every week. "A" stamps first, then "B," "C," "D," and "E." As stamps become good they need not be used within a single week, but may be used until the end of the month.

Here is the way your Red Stamps become good during the month of April:

Week Beginning	Red Stamp Bearing Letter	Stamp Expires
March 29	A (16 points)	April 30
