Primitive races of men had cancer, but to a less extent than civilized man, presumably because fewer primitive men lived to advanced age.

Aid to Enemy

"Any American who wilfully neglects to pay his taxes on time or to invest every cent he can in War Bonds is surely giving aid and comfort to the enemy. . . . We have a job to do and we are all called for service to our country. Our dollars are called to service too. Let us all ask ourselves, 'Shall we be more tender with our dollars than with the lives of our sons?' — Secretary Morgenthau.

What You Buy With WAR BONDS

Prevents the "Bonds"

Before our fighting pilots take to the air for stratosphere flying they must be "suped-up." To do this the pilot just before he takes off pedals a stationary motor driven bicycle to reduce the amount of nitrogen in his blood. Otherwise gas bubbles would collect in his blood stream.

The stationary bicycle is an inexpensive piece of equipment, but the vast quantities of this and other materials of war make it imperative for all of us to keep our fighting men well supplied by greater and greater purchases of War Bonds.
