YOU KNOW that this year may bring great victories—if every American, civilian as well as soldier, stands loyally at his or her post. And, whatever else your duties may call for, there is one job that concerns every citizen—that concerns you: That is to help make 1944 one of the decisive years of human history. So make whatever sacrifice may be necessary to help make the 4th War Loan Drive the success it must be if we are to realize our great objectives this year.

Ask yourself honestly—how much of a sacrifice is it to give up some luxury just temporarily in order to buy the best investments in the world? When you've answered that question, buy at least one extra \$100 Bond now—at your office or plant, if possible. And if you've already bought, buy again this month—and keep 'em!

This sticker in your window means you have bought 4th War Loan securities.

Let's All BACK THE ATTACK!

This message on the 4th war loan is made possible by the following public spirited firms and individuals in the interest of furthering the war effort:
