Women in Refineries

To date most of the women in refinery work are under 35 years of age, but experience with older women has led one refinery to report successful use of women laboratory workers between the ages of 35 and 60.

Balanced Food

When eaten with butter and milk, sweet potatoes will supply practically all the essentials of a balanced food.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our neighbors and friends for the sympathy and kindness extended to us in the loss of our beloved husband and father, Mrs. Harriet Hugdahl, LaVonne, Dale and Nancy. 23-1tp
