This fund is promoted by the national defense committee who plan to finance the clubmobiles which will be supply trucks equipped to carry comfort to the front lines overseas in the combat areas. To finance one clubmobile unit per year, will cost \$21,000. The purpose is to bring treats and cheer to the boys we know and love. These trucks are manned by American girls trained by the Red Cross and will carry cigarettes, doughnuts, coffee, candy, writing paper, phonograph music etc., to the men during the period of relaxation immediately following return from combat. These clubmobiles may be converted into ambulances if the need arises. We are anxious for Oregon to be the first to remit (through unit).

A Washington's Birthday Message

JUST a year ago we paid richly-earned tribute to the 3400 Penney people who had gone off to the war.

Today, the number of stars has grown to 5250. And today, again at Washington's Birthday, we honor and salute them!

From every Penney store in America, men have gone to man the Army's guns—to sail the Navy's ships—fly the Air Forces' planes. Hundreds have won citations for their accomplishments and medals for bravery in combat.

Just as an example—one small store in the Pacific Northwest has produced two outstanding heroes. The first has been awarded the Purple Heart, the Air Medal and the D. F. C., three times. The second has also won the D. F. C., taking part in no fewer than 35 combat sorties.

We are proud of these boys. We are proud of all our Penney associates in uniform. We still think of each and every one of them as part of their Penney stores—no matter where the call of duty has taken them, or how long they may be away.
