We Are Working for the Re-election Of CLINTON HURD

As County Judge Because:

1. His long record of service to this community is one of experience, integrity and common sense.
2. We like the way he gives decisions, even though we may not always agree with him. He has the qualities of firmness and fairness required in handling such a job.
3. The County tax levy has been cut from well over 20 mills prior to his administration, to 12.2 mills for the year 43-44.
4. His handling of the difficult problem of veterans welfare has been efficient and admirable.
5. His record in handling juvenile cases compares favorably with other counties. We do not blame Judge Hurd for the out-moded laws under which he has to work.
6. His interest in and understanding of post war planning is of nationwide acclaim.
7. His active interest in road and bridge upkeep for logging operations.
