**RPM HEAVY DUTY MOTOR OIL** is a heavyweight champion built to bear big burdens. With trucks and tractors working overtime, carrying bigger loads than ever, engine parts are taking a terrific beating—and engine parts are scarce. You can cut wear to a whisper with RPM Heavy Duty Motor Oil, specially developed to make heavy loads easy on engines.

For gasoline and certain Diesel engines, RPM Heavy Duty Motor Oil contains special compounds that keep engines clean, prevent ring sticking, resist formation of carbon and sludge. It sticks to hot spots where engine wear is greatest.

RPM Heavy Duty Motor Oil gives you that margin of safety that saves repairs, stretches the life of scarce parts.

It's Doing a War Job Now—and the demands for RPM Heavy Duty Motor Oil are heavy. So, we can't sell it now for passenger cars or for trucks under 1/2-ton size.
