REFLECTED GLORY
"My son is in the Air Corps."
I heard a mother say,
And her eyes were darkly sparkling
In a proud though solemn way.
I paused for just a moment
With a quiet sense of awe,
For suddenly I knew
That the shining which I saw
Was the reflection of sunlight
On a pair of silver wings.
A little of that splendor
To the flier's mother clings!

Clean-up Week

June 12 Through June 17

Let's make our community more healthful, safer and more attractive by doing these things: Cut grass and weeds now before they are too dry. Dry weeds and grass not only create a fire hazard, but as they become more mature, they are more difficult to dispose of. Trim trees around your premises and cut out overhanging limbs. Trim vines and brush away from sidewalks and repair sidewalks to make pedestrian traffic safe.

Beginning Monday, June 12th, the city will have trucks to pick up and cart away garbage and trash. Trash or garbage should be placed in suitable containers on the curbing of your property.

LET'S KEEP UP THE HOME FRONT... YOUR COOPERATION WILL BE APPRECIATED.

CITY OF COTTAGE GROVE.
