Kidneys Must Work Well-

For You To Feel Well

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.

DOANS PILLS

BY THEODORE PRATT

EDWARD STREETER, AUTHOR OF 1917's RECORD-BREAKING WAR BOOK, "DERE MABEL," SAYS:

"Mr. Winkle Goes to War" is swell. Having read the first page I could not put it down until I had read the last.

It is a charming, restrained bit of satire which is going to appeal to the hearts of thousands of people who are groping for something which ties this fantastic war into human realities. Here's hoping that Chipsian Mr. Winkle becomes as well known and well beloved as he deserves to be.
