EASTER LILY GROWERS MEETING

The Southern Lane Easter Lily Growers of Cottage Grove met Monday evening at the home of Mr. and Mrs. Alfred Wulff for their regular meeting. The meeting was held on the spacious lawn amid the beautiful tuberous begonias and many other flowering plants.

Donald Kabler was in charge of the program and had as guest speaker Arthur King, Extension Soil Specialist of Oregon State College, Corvallis, who was accompanied by O. S. Fletcher and Dan Young from the Lane county office. Mr. King discussed the subject of soil, preparation and suitable fertilizers for the growing of lilies.

At the close of the meeting, refreshments were served by the hosts, assisted by Mr. and Mrs. Palmer Johnson, to the 40 members and potential growers present.

STEP ASIDE HARVEY ROAD

Mrs. Hester Reed asks Cliff Roberts and Harvey Road, where fifteen gallon cows and fifteen kids per family is the rule, not the exception to step aside for another undiscovered garden spot of Cottage Grove where prize winning flowers grow wild. Reed exhibited Monday three white glad stems. These stems had flowers six inches in diameter and from fourteen to sixteen flowers per stem. These specimens were just a few of the culls she was taking to a friend, the prize specimens she was keeping.

SHIP YARD HILL BILLY

Word has been received here by Mr. and Mrs. C. E. Grable that their son, Gordon, took part in the bond drive held at Hunters Point navy yard recently. Mr. Grable appeared on the program with his guitar as "The Ship Yard Hill Billy". Following this, he was offered a place on the program for the huge rally held at the Civic Auditorium in San Francisco, but was unable to accept on account of duties at the navy yard. He has been employed at the navy yards two and one-half years, going to Mare Island navy yard from here and later to the Hunters Point yard in San Francisco.

Like spark plugs or battery, oil is actually a vital part of your car. To make sure it has the right kind of oil—and the right amount at every wear point—see your Standard Service Man at least every 1000 miles. He uses over a dozen different lubricants, each one developed to solve a special wear problem at some point on your car. Better have a look at that mileage right now. And if your car is due for lubrication—see your Standard Service Man today.
