That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

Just in Case You Didn't Hear About the Little Moron Who:

Moved to the city because he heard the country was at war.

Swallowed a lot of pennies so there'd be some change in him.

Took a sack of oats to bed so he could feed his nightmare.

Pushed a cow over a cliff so he could hear the Jersey bounce.

Cut off his fingers so he could write shorthand.

Always told the same joke and thought he had a one-crack mind.

Stood on the corner with a loaf of bread waiting for a traffic jam.

Went thru fire so he could make an ash of himself.

Took a street car home, but his mother made him take it back.

Thought he could tell the horsepower of a jeep by lifting the hood and counting the plugs.

Was too bashful to go near his car when he heard the gears were stripped.

CAREFUL—DON'T TRY THIS

Don't give away, sell or destroy that coal or wood burning equipment you have just in order to get a fuel oil ration, because OPA has authorized local rationing boards to withhold the ration under such circumstances.
