Close Vision The average 10-year-old child can read fine print when held only two inches from his eyes, but a 30-year-old adult must move the printing to a distance of six or more inches from the eyes.

When Your Back Hurts - And Your Strength and Energy is Below Par. It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood. You may suffer sagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder. There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won country-wide approval than on something less favorably known.
