

Creswell

Frank Vick of Cottage Grove has purchased the Crites place north of Creswell, and plans to make it his home in the near future.

Creswell Grange met Thursday evening and proved to be of unusual interest, as State Deputy L. Halverson and Mrs. Halverson and Mrs. Saunders of Willakenzie Grange installed the officers for the new juvenile grange they organized recently.

A number of grangers attended the farm conference in Eugene Tuesday, and Mrs. Wetzel gave an interesting report at grange.

Happy and rejoicing with her at the news that her son, Captain Robert Sly was one of those prisoners liberated from a Jap camp in the Philippines, grangers gathered to hear the last reports from there, as Mrs. Sly had been advised in a wire from McArthur's headquarters, that Captain Sly was engaged in airfield construction in Mindanao when taken prisoner.

The Boy Scouts, along with their excellent leader, L. E. Zinkler, attended church services at the Methodist church Sunday. Twenty eight attended and took part in the Scout service. The Cub Scouts made a good showing, too. They are being sponsored by the Grange.

Mrs. Olive Ellenburg of Drain has bought the home of Mrs. R. Leaming. Mrs. Ellenburg does not plan to live in her new home for some time.

The Intermediate Girl Scouts held an enthusiastic meeting last Wednesday at the school house with their captain, Mrs. L. Tiedje. They made plans for regular scout work for the summer, and the making and dressing dolls in foreign costumes for recognition in International Relations work.

The Willakenzie grade school enjoyed a talk on India by Mrs. C. L. Camp of Creswell last Thursday afternoon. Mrs. Camp brought along many curios and various costumes gathered during her 25 years of missionary work. Her talk was most interesting and instructive. She was the guest of Mr. and Mrs. H. S. Joslin. Mrs. Camp has given approximately 1800 lectures since her return from India.

Mr. Joslin played several musical numbers on his violin accompanied on the piano by Mrs. Wm. Doty, one of the instructors in Willakenzie school and a daughter-in-law of Mrs. Joslin.

A serious blow-out on a West Coast freighter a mile south of Creswell, put the heavy truck into the ditch where, head on, it buried itself in mud and water. It took hours of desperate and costly work to put the heavy unwieldy rig back on the firm road again.

Mosby Creek

The Mosby Creek Extension club met all day Thursday at the home of Mrs. Fred Overton. Miss Nellie Lyle conducted the meeting which was on the planting of shrubbery. The Dorena club was also present.

Mrs. Berta McGuire went to Eugene Thursday and brought her aunt, Mrs. George Foster, home from the hospital where she underwent an operation.

Mr. and Mrs. John Harris of Montana have a new baby girl, Elizabeth Elener. Mr. and Mrs. Harris lived on Mosby Creek for several years.

Mr. and Mrs. Lee Dugan of Walden went to Hebo Sunday to see their little grandson, Pat Leabo, who is quite ill with rheumatic fever.

Latham

A major in the air corps, who has served two years in Alaska and the Aleutians, Joaquin Hawley, was honor guest at a dinner at the home of his uncle, Ralph Hawley, Wednesday evening. He was accompanied by his parents.

Mr. and Mrs. William Hawley of Hadleyville. Other guests were Mr. and Mrs. H. H. Hawley of Cottage Grove. Major Hawley was on his way to California for further orders.

Miss Vida Beers and Ray Ross of Cottage Grove visited Sunday at the Roy Beers home.

The Jolly Workers club met February 7 at the Hebron Community hall. A shower was given honoring Mrs. Katie Manning. Members began sewing on bedside bags and hospital shirts for the Red Cross. The next meeting will be an all day affair with pot-luck dinner at noon at the home of Mrs. Truman Clark, a former member.

A delightful birthday party honoring five members of the M. K. H. club was given Tuesday evening by Mrs. Will Bartels and Mrs. Ralph Hawley at the Hawley home. The honored guests were Mrs. Maude Wright, Mary Vandenberg, Eunice Vandenberg, Lois Peters and Goldie Hayes. A 7:30 dessert was served with Miss Eunice Vandenberg cutting the cake. Decorations were in keeping with Valentine's day. Later the group played bingo. The traveling prize was won by Goldie Hayes and the grand prize by Lois Peters.

Mrs. Leo Beers and four daughters spent Tuesday night at the Roy Beers home enroute from Ashland to Lorane to reside.

Mr. and Mrs. Walter Murry visited recently at Coquille with the Walter Jepson family.

Alyce Hansen left Sunday to join her husband, Gene V. Hansen, at Port Townsend, Washington, near where he is stationed. Gene is stationed at Fort Worden.

Mrs. Winnie Hagerty, who has been with her daughter, Mrs. Leo Pascheike at Marcola, returned to Eugene February 14. She expects to resume work March 1 at Chase Gardens.
