Considerable comment has been made regarding the many trailer houses being hauled south along the highway. One neighbor was heard to remark, "something must be cookin' in California."

Tech. Sgt. James L. Coleman, son of J. A. Coleman of Creswell, has seen his share of war campaigns, serving as chief of armament department in a veteran P-38 Lightning fighter squadron. He has served since 1942 and wears seven battle stars, having also been responsible for all the armament on the P-38's of his squadron, doing duty in Italy, Corsica, Libya, Sicily and Tunisia, a grand record indeed.

Bertral L. Doane died last Wednesday at a Eugene hospital. He was a member of Masonic lodge and born 1884. He is survived by his wife and one son, Private Jack Doane now in the U. S. army in Germany, a sister, Mrs. Kuykendall and a brother, Frank Doane of Hillsboro.

Through the medium of the Red Cross Mrs. A. Meyers has received word that her mother is safe and well. Mrs. Meyers has been unable to contact her mother for many months, who lives in Germany. There is a sister and brother-in-law also with her mother in Germany.

R. C. Bruce recently bought a tractor and is plowing up the com-

munity. Those needing plowing done will find his most obliging. B. Vaughn delivered a load of baled hay to George Stratton at Cottage Grove last Monday. Mr. and Mrs. Erbine Groubeck were business callers in Eugene Saturday.

#### Newslette to be Printed

At last the Cottage Grove union high school is to have a printed newspaper! The Sentinel will print the school newspaper every three weeks, making a total of four Newslette issues to be edited for the remainder of the year. The paper will be free to student body ticket-holders. Others, who haven't tickets, may pay 20 cents in advance and receive their papers in their lockers Friday afternoon of publication day. Those who wait to buy their Newslettes at the student window will have to wait till the following Monday morning. The Journalism staff of last semester will publish the first two issues of the paper. The volunteer English III classes will publish the last two issues. Sara Bjorset, student body business manager, and Lois Weidman, Newslette business manager, will solicit advertising from the businessmen for the rest of the year, assisted by June Mendell and Morris Culver, juniors. The seniors are planning to have their annual edition of the Newslette printed this year consisting of about twelve printed pages. Tickets will be sold ahead of time and advertising secured to help cover the cost.

#### Basketball Review

(By Jerry Mickey)

The Cottage Grove Lions have just ended a fairly successful basketball season with five wins and five losses scoring 326 to their opponents 323 points. They have taken third place in league standings behind the Eugene Axemen and the Junction City Tigers. The Lions, after losing the first two games, rallied with a decisive 35-16 decision over Roseburg and went on to win five straight before losing the last three games.

The seniors, Dwayne Carpenter, Leonard Barkmeyer, Bob Wickes, and Bill Keene have played their last basketball for C. G. and should be complimented on their efforts.

Tall Wilbur Heath is the "hot shot" of the bunch this year. He collected 96 points in ten games to take third place among the league's high scorers. Wilbur also leads his team on the free throw bracket with 24 gifts. Harlan Chapman is the "bad man" of the team with 24 personal fouls.

The C. G. B-squad won one and lost nine games this year and scored 206 points to their opponents 298. Newton leads the squad in scoring with 52 points and Milo Chapman committed 31 personal fouls to lead that bracket.

#### Pictures Taken

As the seniors marched into the school building on Wednesday, February 28, the juniors, sophomores, and freshmen began to wonder if the seniors were lost. All the boys were dressed up, complete to neckties. Some of the girls were attired in strictly non-school clothes. The mystery was soon solved when it was discovered that Mr. Ellis of Kennell-Ellis Studios of Eugene had again made his annual visit to take senior individual pictures. He sent a representative on Thursday, March 1, to take group pictures. The group pictures taken were: Freshmen, sophomore, and junior classes with advisors; the faculty; the football and basketball boys in uniforms; letter girls and lettermen; student council; drill team; G. A. A.; three school yell leaders; F. A. A.; home economics club; honor society; Newslette staff; freshmen glee club; advanced glee club; boys' federation council; girls' league council; associated student body officers; senior class officers and advisors; George Currin and the school building.

#### Boxing Exhibit

The main event of the F.F.A. boxing and wrestling matches held Friday, March 2, in the high school gym, was the boxing match between Bob Gleason and Don Wickendol, with Mr. French as referee. The wrestling match between "The Purple Mask" (Spud Campbell) and "The Spook" (Jack Summers) resulted in a draw. The dazzling feats of Noel Campbell and Gene Campbell in their "professional" wrestling exhibition led the crowd to a high pitch of excitement. The crowd was amazed and greatly surprised as could be seen by the expressions on their faces, when tall Wilbur Heath and short Rufus Parsons entered the ring to fight a battle for superiority. Rufus Parsons gained the leading edge. Last but not least was the awarding of a spotted poland Cniha pig to Barbara Gleason, eighth grader.

The old members decided to hold the induction of new members.

#### Tall Forests

The tall forests of the Carpathian mountains—pine, oak, and beech—have helped make Romania a timber exporter, with wood products forming a quarter of the country's industrial output in times of peace. The disputed wedge of Transylvania contains three of Romania's five largest sawmills.
