

Modern Cinderella On Silver Skates Steals Your Heart

Vera Hruba Ralston, four years ago "the girl without a country" when she came here from Czechoslovakia, today is the glamorous star in Republic's pretentious ice musical, "Lake Placid Serenade," with Robert Livingston as her leading man, coming to the Arcade Theatre June 24th. Miss Ralston is a spectacular figure skater on ice, a talented dancer and a dramatic actress of rare talent. She

President Osmena Predicts Japs Will Be Hard To Beat

WASHINGTON, D. C.—President Sergio Osmena of the Philippines, now in process of complete reconquering from the Japanese and from which General Douglas MacArthur's land forces under Admiral Chester Nimitz will swing into final action against the enemy, today issued a statement in behalf of the Mighty Seventh War Loan.

OSMENA

President Osmena's statement was released by Brigadier General Carlos P. Romulo, resident commissioner of the Philippines to the United States, at the Philippine offices here. President Osmena said: "Needless to say, we Filipinos are very pleased with the signal successes achieved by the United States and her allies during recent months. After a long and hard struggle, the Germans have been pushed to the brink of overwhelming defeat and the end of the war in Europe is now clearly in sight. "In the Pacific, our gains have

been no less impressive. Under the inspiring leadership of such men as General MacArthur and Admiral Nimitz, the Japanese have been dislodged from one position after another in their ill-gotten empire. In this connection, my people and I are extremely grateful that the Philippines are now being liberated from the tyrannical rule of the enemy. "Happy as I am that my country will soon be able to live in peace again, much remains to be done before Japan is fully beaten. Aside from the additional campaigns which will be needed to obtain military victory in the Pacific, there is also the human factor to be considered in that other peoples of the Far East eagerly await to be freed from the enemy. We Filipinos know only too well from experience what it means to be under Japanese domination. "One of the outstanding feats of the war has undoubtedly been the effective fashion in which the United States has overcome the formidable obstacles of distance in supplying the Pacific. Large quantities of supplies will be needed, however, to deliver the final crushing blows against a ruthless and fanatical enemy. All of us can make certain that these supplies are available for our armed forces by giving enthusiastic support to the Seventh War Loan Drive."

MORRIS M'LAGLEN

combines her triple talents in her new role as a skating beauty who finds her way to America and romance, in a story that is not unlike her own biography. When she was a sensational figure with the Ice-Capades in 1940, Miss Ralston became a cause celebre when immigration authorities ruled that her visitor's permit had expired. Her plight became front page news and she received 3000 proposals of marriage in a week. Her difficulties were adjusted and in 1941 she acquired her first citizenship papers. She is under long term contract to Republic. Aside from skating, she is a crack swimmer, good on tennis court and golf course and also an expert horsewoman. She is five feet, 5 1/2 inches tall, weighs 130 pounds and her eyes are cerulean blue. She has a vivid golden hair. The graceful figures which she carves on the ice have nothing on her own in the way of curves.

Creswell

Mr. and Mrs. Erbine Grousbeck were week-end visitors in Portland. In the rodent control contest there were around 55,000 points and better, turned in. LeRoy Hartman of Creswell won first; Patricia McCrigger of Lynx Hollow, second, and Norman Garrison, also of Lynx Hollow, won third. This has been a fine record. Mrs. Dale Pitcher is in California where she is with her husband, Pfc. Pitcher, stationed at Camp Roberts. Mr. and Mrs. Chas. Wetzell were business callers in Eugene last Wednesday. Mrs. C. L. Ellis and daughter left for Portland where they will join Mr. Ellis, a painter for the Southern Pacific company. Children's day was observed by the various churches and the children who took part in the exercises more than pleased their audience. Mr. and Mrs. E. Benton are enjoying a visit with two sons, Clinton, home from a college in Minneapolis, Minnesota, and Francis, who has recently been discharged from the army. Mrs. C. L. Camp has been in Roseburg the past week, giving lectures at the Methodist conference camp for intermediates. Many picnic parties have been held since the sudden turn of weather. One was held at the lovely site of Dorena grange property on Row river. Those there were Mr. and Mrs. Van Grousbeck and little son Danny, Mr. and Mrs. B. Vaughn and Mildred and Margaret, Mr. and Mrs. Claude Arne and daughter and a grandson, Mrs. Helen Scott, Mr. and Mrs. Geo. Stratton, Mr. and Mrs. H. S. Joslin. The new and obliging clerk at Green's Hardware is none other

than Miss Shirley Harrold, former principal of the Lowell grade schools.

Little Dean Taylor unfortunately broke his collarbone while at play. This is the second time he has had a painful break of a collarbone.

C. H. Goheen is enjoying a visit with Mr. and Mrs. M. Painton and children. Mrs. Painton is a daughter of Mr. Goheen and Mr. Painton is warrant officer at Brigham City, Utah.

Flag day was quietly observed. Citizens displayed their beloved flag wherever possible. H. W. Taylor, born on Flag day, was given a surprise birthday party at his home by friends and relatives.

Mrs. Fannie Goude of Cottage Grove visited at the Grousbeck home last week.

Creswell grange met at regular session Thursday evening. Guests were Mr. and Mrs. W. Rasmussen of Willamette grange. The economic club will further plans for their bazaar work at this Tuesday meeting. Clarence Jackson gave an interesting and instructive talk on poultry raising. Miles Wicks also talked on orchard pests and their elimination, and F. L. DuBerry followed with farm flashes. E. Roberts was reported well recovered from his recent operation and able to ride the mower. Mrs. Miles Wicks was asked to write in the names of our soldier boys, on the new grange honor roll, as she is an excellent penwoman. Worthy Master Don Kabler, reported on the last Pomona grange meeting. Also gave notice the cannery at Cottage Grove will not open until after July 4. The program was a Flag day program and patriotic numbers were given. Mr. and Mrs. Miles Wicks sang a number of patriotic songs and other readings were given.

The basket social following netted \$75.81. This was voted to be turned in to the building fund, with 10 percent of it to be donated to the Salvation Army.

The juvenile grange initiated Glen Wicks, Bonita Miller, Marylyn Clark, Don Vincent, Donald Kabler and Mrs. H. S. Joslin. The earnest way the little tots carried that initiation through was an inspiration to we older ones, and never to be forgotten.

CARD OF THANKS
