munion at 11:00 a. m. C. E. at 7:00

I Sure Appreciate LOW COST

With the cost of living going up, it's pretty
nice to come across an item that's holding
to pre-war levels. . . Especially so when that
item is as important as electricity. That's
why I can say, and mean it—"I sure appre-
ciate the Low Cost—of Electricity!"
