To the People of this Community

Leave it to the nation's school children to be on top of the ball when it comes to saving up the war financing situation. From Pearl Harbor to V-J Day they dedicated each purchase and sale of war bonds to fighting equipment.

Then the Japs quit. Schools at War instantly became Schools For Peace. The theme shifted from "Back the Attack" to "Speed His Recovery." The new goal was set at 35,000 hospital units, including a bed, wheel chair, X-Ray machine and surgical instruments.

Grownups could well listen to one of the millions of youngsters who are taking part in the Victory Loan. Even without a word from the young volunteer, you have one of the main reasons for buying extra Victory Bonds—the future of the "salesman" who may be your own son or daughter. Your war bonds have just helped to defeat the Nazis and Japs who would have educated your children for death. Your extra Victory Bonds will assure a brighter life for tomorrow's citizens.
