Brahmans Repel Insects

Brahmans, a breed of cattle, are not bothered to any great extent by insects. They secrete an oil which acts as a repellent to flies and mosquitoes.

Greasy Floor

If grease spills on a wooden floor, pour cold water over it at once. This hardens the grease before it penetrates the wood. It then can be scraped off, and the floor scrubbed clean with hot, soapy water.

Theatre Programs

ARCADE

FRIDAY, SATURDAY
JANUARY 18-19

"The Great John L."

With The Granges

Lorane Grange

Grange church Sunday will be observed by the Lorane grange Sunday, the 20th, with all members asked to attend the Lorane Christian church. At the last meeting, January 8th, it was announced that grange visits will be resumed this year and will be made in February and March with the first visit to Hebron grange. The Lorane grange will entertain the members of the Hebron grange in the meantime.

LeRoy Oliver, resigned as assistant steward and Danny Warnock was elected to replace him.

The following committees were appointed for the year: agriculture, Guy Smith, W. I. Seales and Bob Philson; legislative, Charles Mitchell, W. T. Moore and Delwin Doughty; youth committee, Vivian Wise; relief, Mrs. Edith Dunn, L. N. Ashley and Mrs. Lulu Smith.

Chester B. Waples Dies January 10

Chester Bruce Waples, 79, died at his home last Thursday morning at 118 I street. He was born at Pontiac, Illinois, December 12, 1866 and was married October 13, 1889 at Fairbury, Nebraska to Serenia Drake, who survives in addition to a son and two daughters, M. L. Waples of Eugene; Mrs. Ray Gillispie of Sutherlin and Mrs. Arthur Hennigan of Eugene. Also by eight grandchildren and nine great grandchildren.

He came here twenty-six years ago from Fairbury, Nebraska and has made his home here since. He was a retired grocery clerk. Mr Waples was a member of the Christian church. Funeral services were held from the Mills mortuary Saturday afternoon at 2:30 p.m. with the Rev. J. Michael Shelley officiating. Interment was in the Masonic-I. O. O. F. cemetery.

Traffic Fatilities Increase Last Year

People died in Oregon traffic at the rate of 16 persons per one hundred million miles of travel during the month of November, Secretary of State Robert S Farrell Jr., disclosed today. The traffic death rate for the month was the highest recorded in Oregon since September, 1941 when it reached the same peak.

For November of 1944, the death rate was ten persons per one hundred million miles of travel. Farrell explained that the traffic death rate is a method of expressing the actual accident situation, showing the number of persons killed in relation to the exposure to accident.

For the first 11 months of 1945, the death rate was 10, compared to 9.2 for the same period of 1944.

Declaring that speed too great for existing conditions was a basic factor in most traffic accidents. Farrell urged drivers to reduce speed and to give consideration to the increased traffic volumes in most areas.

Eliminate Chiggers

Chiggers may be eliminated in your lawn. Keeping the grass closely cut helps, and sulphur is an effective control applied by dusting on the grass—two pounds at one application is enough for the average lawn, but several treatments may be needed to complete the extermination job.

Lions Lose Fast Cage Game to Eugene Axemen

A fast-breaking Eugene high Axemen quintet outscored Coach Bob Dusenberry's Lions in the second half to a decisive 43-21 score Friday night at the Eugene armory. This was the second loss to one victory in district 6 play for the Lions.

The Eugeneans took the lead in the opening seconds of play on Wilde's layin. Wilbur Heath, 6 foot 4 inch Lion center tied up the game seconds later with a pair of gifters. Ruth connected from the keyhole for 2 more points. Heath again tied the game with a tip-in. Ruth and Wilde connected for five more points but Gordon Neideigh's pair of lay-ins held the Lions one point behind. The quarter ended 10-9 for the Axemen.

Mickey tied the score at 10-10 with a free throw just after the start of the second quarter. Wilde made a free throw to boost the score to 11-10 but Mickey again tied the score at 11-11 with another gifter. A field goal by Walker and two by Wilde set the Axemen with a 17-11 lead. A field goal by the Lions and one more by the Eugeneans left the half-time score at 19-13.

The Lions scored only once in the third quarter, on Heath's layin, to the Axemen's six field goals and three free throws, leaving Eugene with a comfortable 34-15 lead.

Gordon Neideigh sparked the Lions in the final quarter with three field goals. The Eugeneans tallied only 9 points in the final quarter which left the score 43-21. Wilde, Axemen forward, took scoring honors with 17 points. Neideigh compiled 12 points for second.

The Cottage Grove "B" squad bowed to the Eugene Hatchetmen 44-17 in the preliminary game. This was also the second loss for the Lion "B" team. Welch of the Hatchetmen was high point with 5 field goals and a gifter.

Cold Loss

When you open the door of your refrigerator, you lose very little of the "cold." Engineers have found by test that opening a large-size refrigerator the same number of times a home freezer is opened each day—even in air as hot as 90 degrees — increased the electricity consumed by less than 2 per cent.

Tree Roots

Nature has placed the roots of a tree at a point where there is the proper balance between air and water. The placing of additional dirt over the tree roots disturbs this relationship and the tree suffers.

GI Ingenuity Pays Dividends in Europe

Sergeant Theodore L. Fatland, left, of New Orleans, Louisiana, and Sergeant Arthur Huett, Jr., of Fort Madison, Iowa, sail down the Vesle Lateral canal in France in a boat they made from salvaged P-47 gasoline tanks and a one-cylinder engine. There is adventure and comradeship in the Regular Army, which is now accepting enlistments from qualified civilians 18 to 34 years of age, inclusive.

JOIN THE MARCH OF DIMES

In 1946 . . . GET MORE and SAVE MORE at SAFEWAY

It is wise to make *quality* the first consideration in judging *value.* Because Safeway always puts quality first, we can guarantee every meat, produce, and grocery item that we sell . . . assure your complete satisfaction. Then, because it's Safeway policy to price everything reasonably, we offer these quality foods at prices that can mean substantial savings for you. A comparison of our values will show you why, again in 1946, you can *get more and save more at Safeway.*

How to save more with the bulk foods

Cold weather sharpens appetites and calls for hearty meals. Here are some favorite ideas for winter-time meals, using the inexpensive bulk foods—rice, lentils—and macaroni products.

SPLIT PEA OR LENTIL SOUP

It's nice to float sauteed slices of frankfurter on this soup and serve it with hot garlic French bread for a supper main dish. Place 2 cups washed split peas or lentils in a large kettle and add 2 quarts of water, 3 or 4 stalks of celery, 2 carrots, 1 medium-size onion, a bay leaf, and salt and pepper. If you have it, add the bone left from a roast, a few slices of salt pork or bits of bacon sauteed until brown, or a couple of tablespoons of meat dripping. Boil rapidly for 20 minutes and then simmer slowly about 2 hours, or until peas are soft and tender. Add more water if necessary. Serves 6 to 8.

DEVILED MACARONI OR NOODLES

To make an unusual accompaniment for meat loaf or pot roast, season about 3 cups steaming hot macaroni or noodles with 1 to 2 tablespoons prepared mustard, a dash or two of Worcestershire sauce, ½ cup grated sharp cheese, and butter or margarine. Sometimes a couple of tablespoons of chopped onion may be added.

HOW TO USE LEFT-OVER RICE

Rice is so easy to keep and so convenient to have on hand that it's a good idea to cook plenty extra. Just store it in a covered container in the refrigerator. Here are some favorite ways with leftover rice—

RICE CAKES—To each cup of cooked rice add 1 slightly beaten egg. Mix well. Drop by spoonfuls in hot shortening in a frying pan. Brown slowly, turning once. Serve hot, plain or with syrup.

RICE WAFFLES OR MUFFINS—Substitute cold, cooked rice for ½ the flour in your favorite waffle or muffin recipe. Bake as usual.

ADD cooked rice to soup, stuffing, or make it into rice pudding.
