THAT NEW SHELL PREMIUM
MAKES HIS CAR FRISKY AS A LAMB!

a new-type gasoline
developed by Shell Research

New SHELL PREMIUM

New Shell Premium is a radically new kind of motor fuel! Uses only the higher-efficiency "Power-Heart" of the gasoline. For the first time gasoline is freed of the power-reducing elements present in even the finest prewar gasolines!

New "Power-Heart" refining lets your engine get maximum efficiency from war-developed fuel boosters. With this new all-purpose gasoline you can start your engine in a flash... get swift, even pickup... drive all day without the whisper of a knock, and get smooth, even power under all temperature conditions.

Although Shell Premium costs more to make, it costs you no more than other premium gasolines!

Shell X-100 Motor Oil gives premium protection for today's sustained speed driving—like New Shell Premium, it stems from continuous Shell Research
