TOWNSEND NEWS

The men of the Methodist church will sing a group of songs at the meeting Monday night following the usual business session. The Oregon pension petitions are being rapidly filled. Another for the convenience of the ones in that section of town will be left at the Sixth Street Grocery. Being a public service organization, we are urging that everyone having flour on hand to use same to prevent loss this hot weather and to relieve the present bread shortage which will no doubt be much easier in a few weeks when eastern wheat is being milled. Regardless of who is to blame, or how we believe politically or otherwise, storing up of perishable foods means a loss to everyone.
