CLUB MEMBERS TO PAPER NURSERY

The London 4-H Mothers' club held an all day meeting Wednesday in their club house. A covered dish luncheon was served at noon. At the business meeting it was decided to meet next Wednesday at 10:00 a. m. and paper the nursery. There will be no covered dish luncheon, but each one is to bring a box lunch and cleaning and papering equipment.

It was reported that flowers had been sent to Mrs. Gale Roby in her recent confinement in the hospital.

Members decided that rather than start on a new craft before Christmas they would work on hand work gifts. During the day members covered boxes with wall paper and Christmas paper.

Hostesses for the day were Mrs. Elvis Kelley and Mrs. Roy Ewing. Mrs. Pat Garman was a guest of the club.

HALLOWEEN SPIRIT AT PARTY

The Halloween spirit was typically portrayed in a party given by the young people of the Church of Christ on 6th and Gibbs. The evening was begun by an eerie trip to the old London hotel. Following this the party proceeded to an abandoned house on the Pearl Campbell place. Decorations were in keeping with the Halloween spirit including kerosene lanterns for lighting.

Following an evening of games and pranks refreshments of cider and doughnuts were served to approximately 40 people, the cider being made by the group the previous Sunday.

Mostly Static

Howdy Folks: The telephone is one of the world's greatest inventions. It connects you with so many strangers.

A man should be very careful about marrying a telephone operator, though. She seldom rings true.

Her job is neither a trade nor a profession. It's a calling.

She comes close to being a saint. There's a continual hello around her head.

Of course a party line keeps the neighbors well informed.

The telephone has made a sucker out of the nickel. It causes the poor old jitney to get so many wrong numbers.

Jitneys saved become dollars, you know. That's why it's good business to buy our lighting fixtures. We'd like to tell you more about this.
