21ST LIONS BANQUET FOR GRID SQUAD

Members of the 1946 high school football squad with Coach Bob Dusenberry were honored last Thursday evening in the 21st annual banquet by the Cottage Grove Lions club. Visitors, members of the football team and Lion club members numbered about 80. The banquet was served at the high school cafeteria by the home ec girls.

Orlo Bagley served as toastmaster, introducing the numbers, the visitors and the guest speaker, Jake Leight, a member of the University football squad the past year. The program included introduction of visitors, group singing, two numbers by the high school girls chorus and the introduction of the 1946 football team by Coach Dusenberry. Dusenberry made a brief introduction of each member of the team, the members remaining standing until the team roster was completed. The squad which lost several valuable players thru graduation the previous year was rated near the bottom of the league at the start of the season, but developed rapidly and made an excellent showing. A pleasing prospect for another year is that there are a number of soph and juniors on the team according to Coach Dusenberry.

Jake Leight, the guest speaker, selected on the all-American the past year, spoke briefly of his experiences at the University as well as in the armed forces and expressed the hope that a different brand of football will be inaugurated at the university under the new coach, Leight, a comparatively small man as football players go, gives the average high school player hope in saying that if the small player wanted to make good he must outsmart the power offered by the husky player and that this could be done.

The Lions club and their visitors contributed over \$19.00 to the March of Dimes fund at this time.
