Dorena Grange Initiates Four at Regular Meeting

First and second degree initiation was given to Mr. and Mrs. John Boush and Audrey and John Ponton at the regular meeting of the Grange February 6th.

Claude Arne reporting for the agriculture committee told of attending the recent planning conference held in Eugene and gave many points of interest to all present. He also announced the agriculture council meeting to be held at the fairgrounds February 11th and urged members to attend this meeting.

Mrs. Frank Bradford reported attending the conference along with several members of the H. E. C. A display table of scrap books will be of special interest at the next regular meeting. The display will be in charge of Shirley Arne. Spencer Creek Grange will be guests of the local Grange at the next regular meeting. Members are asked to bring jello or fruit salad and those who can bring cream. It was first decided to have only certain ones furnish jello but later announced that all members were to contribute. A silver offering will be taken to pay for the cakes at a later date.

The building committee reported forms for footings of the new hall were ready for the pouring of concrete. This was done Saturday February 8th.

The annual play festival was announced for April. Mary Arne will be in charge with Esther Stratton assisting.

The local Grange will visit Wilkenzie Grange March 1st and will open and close Grange and present the lecture program. An announcement was made that the new local radio station

KUGN will present a new program each Monday morning at 6:30 a. m. on Better Farming and Living. Suggestions may be mailed to KUGN.

A collection was taken for the March of Dimes. A total of \$17.05 was reported and the Red Cross drive which will begin soon was announced. \$10 was voted to the Red Cross by the Grange.

The Pomona work program was read by the secretary. Appointed on the hospitality committee were: Joe Schneider, Joseph McCune, Orris Steel, Hat-tie Spahr, Shirley Arne, Delores Kelly, Rosalee Plaisted, Raymond Wickes, Alda Bales, Mary Snauer, Marie Walls, Janet Kelly.

As beaver are doing much damage to farms in this locality a resolution will be drawn up asking that the present law protecting beaver by the state be changed. These industrious little animals are building dams and stopping up culverts causing damage to farm lands and roads and even starting to dam the river in this section.

Due to degree work the lecture program was omitted for the evening. Refreshments were served at the close of the evening. — Esther Stratton, Reporter.

DOLEMAN LEADER AT WALLA WALLA COLLEGE

Don Doleman, son of Mr. and Mrs. F. H. Doleman, a junior in Walla Walla College at Walla Walla, Wash., was among the twelve college students at Walla Walla College selected to be listed in the "Who's Who in American Colleges and Universities" according to a recent announcement in the Collegian, a student publication. Doleman, a student heading for Biblical languages major is the manager of the College Bakery there. During his free hours he is either playing golf or pursuing his second choice hobby—photography.

"On his day off from baking the beaten batter, he is superintendent of the Sabbath School," says the Collegian.

The twelve students were selected on the basis of character, citizenship and scholarship.

Superior to Rat

In problems requiring latch lifting, burrowing under, use of teeth, and circumvention of barriers, the guinea pig was superior to the rat, tests showed. It solved these problems more readily because its mode of attack was variable. The response of rats were stereotyped and led invariably to frustrative behavior.

Use Lignin in Rubber

Development of new lightweight rubbers as tough and strong as heavier types by using lignin, waste material of the paper industry, as a reinforcing pigment is reported. Lignin also makes possible the production of bright-colored rubber articles as durable as those of black rubber.
