TIGHTENS LOOSE FALSE TEETH OR NO COST
Now, at home, you can quickly and easily re-line your loose dentures with the marvelous plastic called Ruffit. Just brush it on, then wear your plates while it sets to a smooth, durable surface that fits your gums. No heat needed. Ruffit is not a gummy paste or powder that you apply each day. It becomes part of the plate itself—solid, permanent, tasteless, odorless, natural pink in color. Easy to clean—lasts for months. Try Ruffit at once. Sold on a money back guarantee. For sale at all leading drug stores. Price \$1.98.
