

Cottage Grove Sentinel

COTTAGE GROVE, LANE COUNTY, OREGON THURSDAY, NOVEMBER 13, 1947 NUMBER 14

Cottage Grove Boy Gets a Promotion

Loran Stewart, chief forester of Pope and Talbot Inc. and son of Lt. Col. and Mrs. LaSells Stewart of this city, was recently promoted to the position of assistant vice president and general manager Hillman Lueddmann of Pope and Talbot Inc.

Stewart, who is a co-owner of Bohemia Lbr. Co. Inc. of Culp Creek, will continue to act as chief forester in addition to his new duties. Pope and Talbot activities include a sawmill and logging operations in Part Gamble, Washington, a sawmill and logging operations in St. Helena, Oregon, and a new mill and logging operations at Oakridge, which is slated to begin actual production soon after the first of the year.

A graduate of the School of Forestry and Logging Engineering at Oregon State College, Stewart has been employed by the U. S. Forest Service prior to his employment with his present company. His father has been in the logging industry for 44 years, including 37 in this community.

As his headquarters will be in Eugene, Stewart and his family will continue to make their residence there.

Many Events Set OSC Homecoming

OREGON STATE COLLEGE—All the traditional events and a few extra are being prepared here by student committees and the alumni association to entertain several thousand alumni expected for the annual Homecoming celebration Saturday, November 15.

While the main attraction is the WSC-OSC football game, the colorful house signs, noisy rally, rick bonfire, midnight matinee and the mixer dances are all to their prewar places in the program.

In addition the noontime barbecue in the armory, which proved so popular last year, will be repeated, as will the after-game free coffee-and-doughnuts jamboree in the armory, where class groups meet in designated sections for a talk fest over steaming coffee cups.

DORENA

Mrs. Emily Wilson of Portland is visiting her nephew, Raleigh Wilson and family.

Mr. and Mrs. Ed Twing have finished moving their household things out of the lake site to their new location at Dorena.

The ladies of Rat Creek met at the U. S. Bales home, Friday, for the purpose of sewing and mending for Mrs. Sidney Bales, who is still quite ill at her home.

Mr. and Mrs. Roderick Doolittle entertained their friends and neighbors Saturday evening with a parlor dance.

Mr. and Mrs. John Wagner of Dunsmuir Calif. are visiting at the home of John's brother and sister-in-law, Mr. and Mrs. Lot Wagner. Mrs. Lot Wagner is still confined to her home with injuries received from a fall.

Sidney Bales and Mr. and Mrs. U. S. Bales attended the dedication of the Mount View school house Friday evening. There was a large crowd and it was enjoyed by all. Pie and coffee were served. Sunday callers at the Sidney Bales home were Mr. and Mrs. Les Klinge of Eugene, Mrs. Ruth Tipton of Creswell, Mr. and Mrs. Elwyn Bales of Delight Valley and Mrs. Joy Haworth of Cottage Grove.

Mr. and Mrs. Charlie Bales of Mount View were guests of Mr. and Mrs. Arthur Bales over Sunday.

Mr. and Mrs. U. S. Bales have received word that their son-in-law, James B. Chapman, of Santa Clara, has been entered in the Veterans hospital in Portland with an abscessed shoulder.

Mrs. H. H. Campbell and infant son arrived Saturday from New York City, by plane. Mr. Campbell met them in Eugene.

Miss Simpson of Mosby Creek is staying with Mrs. Sidney Bales.

Uses of Straw

Straw, our most important crop residue, now is going into wider industrial use. In recent years there has been a particularly noticeable expansion in use of processed straw, mostly for making cigarette papers, straw board and for producing high quality writing paper. In other countries it is used to make brick, thatching roofs, as a substitute for twine and for making mats, bags and wearing apparel, for fuel and for many other household uses.

Freight Per Capita

For every person in the United States the railroads performed annually the equivalent of transporting a ton of freight 5,341 miles.

Lower Form of Life

There are about 100,000 kinds of parasites in the world.

L. L. Pittenger Is Named Police Chief Oregon City

L. L. Pittenger, former Eugene police chief, has been employed as police chief of Oregon City, press dispatches Tuesday revealed. Pittenger succeeds C. A. Blodgett, who resigned his Oregon City post to become police chief here. Pittenger, who resigned his Eugene job under fire about six weeks ago, will assume his new duties on December 1st at a salary of \$3,900. Harold Skipworth, former head of a Eugene detective bureau has been acting police chief of Eugene, pending the appointment of a chief there.

Continued Service For World War II Veterans Urged

A need for continuing organized community services to World War II veterans, due to the "increasing complexity" of problems related to their readjustment to civilian life, was emphasized in a nationwide survey recently conducted by the national social welfare assembly, New York City, and reviewed today by the state Department of Veterans' Affairs.

Oregon's Veterans' Affairs director, W. F. Gaarenstroom, said that veterans' needs reported by the national survey coincide with local requests for assistance from

state and county service officers. These were listed as housing, job placement, job and educational counseling, personal and family problems, job training, and service in obtaining veterans' benefits such as claims, loans and insurance.

"Total claims service needs is holding up without diminution," according to the report. "While the volume of new cases decreases, reopened cases increase and most claims are complex."

Over 5,000 enlisted men will go to Officers' Candidate School this year.
