A report on the Cottage Grove Hospital Fund

OUR PROGRESS TO JANUARY 10, 1948

Cash received as of Jan. 10, 1948 \$ 77,021.64
Pledges received 26,996.67
Total contributions . . . \$104,018.31

So many questions have been asked about the hospital and its progress, the committee feels that it would be proper to publish a list of the donors, since the hospital is a public enterprise. Over half of the necessary \$200,000 has been raised and the committee is encouraged enough to plan for the second half of the campaign. Artist's sketches of the proposed hospital will soon be ready for printing so that the donors and prospective donors may see what has been done and what is necessary to be done.

Below is a list of donors arranged alphabetically as of Jan. 10. It is hoped that those whose names do not appear below will see fit to make their contribution before the close of the year, thus assuring early completion of the hospital. If your name does not appear in this list, see your solicitor, or if you have not been solicited, please see H. E. Eakin, treasurer.
