Mrs. MacDonald saw that the house needed some painting, a new roof, and modern wiring.

So, she went to her nearest branch of the First National Bank

and found that all these improvements could be made on a convenient Thrifty-Pay loan.

She told Mr. MacDonald about the Thrifty-Pay plan, which allowed them as long as 3 years to pay,

with no down payment necessary. He saw what a good idea

it was and started making home improvements without delay.
